Annual Report of the Officers,

and Agents for the

Town of Nottingham

New Hampshire

For the year ending

December 31, 2014

### Cover Art

#### A Sunday Afternoon In Nottingham Square – 1880 by Robert Caton

The Town of Nottingham was Chartered in 1722, and the Square was the original settlement.

The first building on the left was built by General Henry Dearborn in the year 1756. The second building was called the French House, built in 1852. The last building is called the Square School or Pawtuckway, built in 1848.

In the year 1880 the population of Nottingham was 1095 souls.

In our early years, the greater part of our population was employed in farming, Nottingham being no exception. Farming was a hard and often lonely life. Recreation as we know it was non-existent. One of the greatest pleasures was being in contact with others. Sunday was a day of worship, for most all the people were God fearing. It was also a day to get together in the Square, for picnics and fellowship. This painting is an attempt to show some of the activities, picnics, story telling, knitting, sewing, checkers, London Bridge, hoop rolling, teens impressing their peers.

It was a place too for public meetings. The School House was the center of many activities. It was a fun place for the town.

One important function was the training and drilling of the militia of the Revolutionary War, and troops who fought in the Civil War.

## Dedication

#### **Charles A. Brown**

Our Town Administrator, Charlie Brown, retired to enjoy time with his wife and grandchildren and to pursue interests he had put off for many years. Charlie was hired in 2002, as interim TA, but soon proved that he was the perfect person for the job. His knowledge of the town and municipal government were valuable assets. He acquired his knowledge of town government through the many positions he held in Nottingham town government through the years. Most notably Charlie served as Selectman and also was a member of the Budget Committee. Charlie is married to Mona and they have two sons and 3 grandchildren. We thank Charlie for his years of service to the town and also for his service to his country, in Vietnam. We wish Charlie many happy years with his wife and family and the opportunity to ride his Harley all the places he has dreamed of.

Charlie in the 1980's

Charlie & Marge Retirement Party 2014

Marge & Bob Carlson In 2008

#### **Marjorie Carlson**

Marge Carlson, who went to work in the Selectmen's Office in 1985, also retired this year. What started as a "mothers hours" part-time job blossomed into a full-time 29 year career spanning all facets of town government. She was in nursing prior to the arrival of her children, and her first return to the workforce once they were all in school was working at Nottingham School in the Nurse's Office in the early 1980's. Marge and Bob Carlson moved to Nottingham in 1969. They have three children who grew up here and attended Nottingham School. Marge has always been an active part of the Nottingham community and her family follows her in service to the community. Marge enjoys spending time with her family, including two grandchildren who are nearby. She has thoroughly enjoyed the beginning of her retirement. She spends time with family, and loves to garden and read. This summer Marge got back into canning and relishing the fruits of their gardening labors, and of course her jams and preserving. When not at home, she enjoys spending time in Maine. She continues to help with Nottingham Food Pantry projects and the Fire Rescue Auxiliary. Thank you Marge and we wish you a wonderful retirement.

#### **Rhoda Capron**

Rhoda Capron, the Director of the Blaisdell Memorial Library retired in 2014 after 28 years of service to the town. Rhoda was passionate about having a welcoming and well-stocked library and bringing quality programming and events to the people and children of Nottingham. She was a founding member of the Nottingham Food Pantry and the Nottingham Community Newsletter. Rhoda also started the Farmer's Market, and was involved in several other organizations in Nottingham. She remains a member of the Nottingham Historical Society and still serves as the Nottingham Food Pantry Secretary.

Rhoda lives in Nottingham with her husband, Steve. They have two children and four grandchildren. Rhoda and Steve enjoy traveling; especially visiting family. Thank you Rhoda for your years of service and dedication and we wish you many pleasant hours in your garden.

## Vital Statistics

#### In Memory Philip C. "Archie" Fernald

Archie Fernald was a lifelong resident of Nottingham and a constant in the Town Hall whether he was delivering gifts, seeking information or just looking for conversation. He served the town in so many capacities it's hard to be sure the list is complete. He was the Road Agent for years as well as the Building Inspector. He was a Selectman, served on the School Board and the Budget Committee, was a trustee for the Food Pantry and volunteered at the school and for the Historical Society. For all the conversations we had and all the laughter we miss without you, here's to you Archie Fernald. Thank you for your service and friendship, and may you rest in peace!

#### **Diane Nugent**

On the morning of November 27, 2014, Thanksgiving, Nottingham Fire Rescue lost a fellow Emergency Medical Technician (EMT), friend and role model Diane Irene Nugent.

Diane joined our family of emergency service providers after the death of her husband in 2011. Diane always said she wanted to become an EMT to give back for the aid that was rendered to her husband during his battle with cancer. Diane was a model of commitment and always strove for perfection, always placing others needs above her own. Diane was dedicated to our town and our emergency service mission, and was in the process of advancing her certification level. Diane served the department and also Nottingham Fire Rescue Association as Vice-President. Diane was always one of the first to arrive at department functions and the last to leave after cleaning up.

We miss Diane daily.

Rest in peace Diane, "Nottingham 37-M412", "we'll take it from here sister".

#### In Remembrance

The Town of Nottingham wishes to recognize the passing of those in our community between January 1, 2014 and December 31, 2014.

## 2015 Nottingham Warrant & Department Budgets

#### 2015 Warrant Articles

To the inhabitants of the Town of Nottingham in the County of Rockingham in said State, qualified to vote in Town Affairs

#### YOU ARE HEREBY NOTIFIED TO MEET AT THE NOTTINGHAM COMMUNITY CENTER IN SAID NOTTINGHAM ON TUESDAY THE 10<sup>TH</sup> DAY OF MARCH 2015 NEXT AT 8:00 O'CLOCK IN THE FORENOON TO ACT UPON THE FOLLOWING SUBJECTS:

**ARTICLE #1 through ARTICLE #2** will be acted upon on Tuesday, March 10, 2015 at the Nottingham Community Center from 8:00 am to 7:00 pm.

**ARTICLES #3 through ARTICLE #18** will be acted upon on Saturday, March 14, 2015 at the Nottingham Elementary School at 9:00 am.

ARTICLE #1: To choose by ballot all necessary Town Officers for the ensuing year.

**ARTICLE #2**: Are you in favor of amending the Nottingham Zoning Ordinance, Article II Zoning Districts and District Regulations Section C.2 Residential-Agricultural District, which currently reads as follows:

2. There shall be between the property line, water's edge ("reference line" as described in RSA 483-B:4 XVII), and any building, a minimum distance of fifty (50') feet, twenty (20') feet for grandfathered non-conforming lots of less than two (2) acres, as of the date of passage (03/08/94), in all directions. Special exceptions to this ordinance may be granted by the Zoning Board of Adjustment based on weighing of the following considerations, but in no case shall less than twenty (20') feet be permitted for habitable structures or nonhabitable structures of fifty (50') square feet in area or greater:

To be replaced with:

#### C.2 Residential-Agricultural District

2. There shall be between the property line, water's edge ("reference line" as described in RSA 483-B:4 XVII), and any dwelling, a minimum distance of fifty (50') feet, twenty (20') feet for grandfathered non-conforming lots of less than two (2) acres, as of the date of passage (03/08/94), in all directions. Setbacks for accessory buildings including septic systems shall be fifty (50') feet minimum distance from the lot frontage property line (20') feet for grandfathered non-conforming lots of less than two (2) acres and twenty (20') feet for grandfathered non-conforming lots of less than two (2) acres and twenty (20') feet minimum distance from the side and rear property lines. Special exceptions to this ordinance may be granted by the Zoning Board of Adjustment based on weighing of the following considerations, but in no case shall less than twenty (20') feet be permitted for habitable structures or nonhabitable structures of fifty (50') square feet in area or greater. The Planning Board recommends this article (7 - 0).

**ARTICLE #3**: To see if the Town will vote to raise and appropriate the sum of \$3,582,150.00 (Three Million Five Hundred Eighty Two Thousand and One Hundred Fifty Dollars) which is the Budget Committee's recommended amount for the 2015 Operating Budget (8 - 0). The Board of Selectmen recommends \$3,582,150.00 (Three Million Five Hundred Eighty Two Thousand and One Hundred Fifty Dollars) (3 - 0). This article does not include appropriations voted in other special or individual warrant articles addressed in this warrant. **Majority Vote Required.** 

The estimated tax impact is \$3.917 per \$1,000 of property valuation.

**ARTICLE #4**: To see if the Town will vote to raise and appropriate the sum of **\$19,000.00** (Nineteen Thousand Dollars) for replacement of the roof over the Community Center Gym and Kitchen areas. **The Board of Selectmen recommends this appropriation (3 – 0). The Budget Committee recommends this appropriation (8 – 0). Majority Vote Required.** 

The estimated tax impact is \$0.035 per \$1,000 of property valuation.

**ARTICLE #5**: To see if the Town will vote to raise and appropriate the sum of **\$200,000.00** (Two Hundred Thousand Dollars) for engineering, design and highway construction and reconstruction on Lavoie Drive and Freeman Hall Road or other roads in Nottingham if a priority arises. This is a non-lapsing appropriation per RSA 32:7 VI and will not lapse until the work is complete or not later than one year after the end of fiscal year 2016, whichever occurs earlier. The Board of Selectmen recommends this appropriation (3 – 0). The Budget Committee recommends this appropriation (8 – 0). Majority Vote Required.

The estimated tax impact is \$0.367 per \$1,000 of property valuation.

**ARTICLE #6**: To see if the Town will vote to raise and appropriate the sum of **\$50,000.00** (Fifty Thousand Dollars) to be added to the Highway Truck Capital Reserve Fund previously established for the purpose of purchasing trucks for the Highway Department. **The Board of Selectmen recommends this appropriation (3 – 0). The Budget Committee recommends this appropriation (8 – 0). (Majority Vote Required)** 

The estimated tax impact is \$0.092 per \$1,000 of property valuation.

**ARTICLE #7**: To see if the Town will vote to raise and appropriate the sum of \$203,500.00 (Two Hundred and Three Thousand Five Hundred Dollars) for the purchase of a truck with dump body, snow plow, wing, and sander for the Highway Department, and to authorize the withdrawal of \$203,500.00 (Two Hundred and Three Thousand Five Hundred Dollars) from the Highway Truck Capital Reserve Fund created for this purpose. The Board of Selectmen recommends this appropriation (3 – 0). The Budget Committee recommends this appropriation (8 – 0). Majority vote required.

The estimated tax impact is \$0.00 per \$1,000 of property valuation.

**ARTICLE #8**: To see if the Town will vote to raise and appropriate the sum of **\$50,000.00** (Fifty Thousand Dollars) to be added to the Fire Department Vehicle Capital Reserve Fund for the purpose of purchasing Fire/Rescue vehicles. The Board of Selectmen recommends this appropriation (3 - 0). The Budget Committee recommends this appropriation (8 - 0). Majority vote required.

The estimated tax impact is \$0.092 per \$1,000 of property valuation.

**ARTICLE #9**: To see if the Town will vote to raise and appropriate the sum of **\$22,350.00** (Twenty Two Thousand Three Hundred Fifty Dollars) for the purpose of purchasing the necessary fuel, supplies, equipment, and maintenance to run the ambulance and billing services for 2015; and to authorize the withdrawal of \$22,350.00 (Twenty Two Thousand Three Hundred Fifty Dollars) from the Ambulance and Equipment Replacement Special Revenue Fund created for this purpose. The Board of Selectmen recommends this appropriation (3 – 0). The Budget Committee recommends this appropriation (8 – 0). Majority vote required.

The estimated tax impact is \$0.00 per \$1,000 of property valuation.

**ARTICLE #10**: To see if the Town will vote to raise and appropriate the sum of **\$49,000.00** (Forty Nine Thousand Dollars) for the purpose of purchasing a Pickup Truck and all necessary lettering, equipment and lighting for the Fire/Rescue Department. The Board of Selectmen recommends this appropriation (3 - 0). The Budget Committee recommends this appropriation (8 - 0). Majority vote required.

The estimated tax impact is \$0.090 per \$1,000 of property valuation.

**ARTICLE #11**: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five Thousand Dollars) to be added to the Non-Capital Reserve Fund previously established for the purpose of funding the Tri-Centennial Fund for the celebration of the Town of Nottingham's  $300^{\text{th}}$  Birthday to take place in the year 2022. The Board of Selectmen recommends this appropriation (3 – 0). The Budget Committee recommends this appropriations (8 – 0). Majority vote required.

The estimated tax impact is \$0.009 per \$1,000 of property valuation.

ARTICLE #12: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 (Three Thousand Dollars) to be added to the Expendable Trust Fund previously established for the purpose of maintenance, repair or replacement of Heating, Ventilation & Air Conditioning (HVAC), Electrical, Plumbing or other major systems in Town buildings or facilities and appoint the Selectmen as agents to expend from the fund. The Board of Selectmen recommends this appropriation (3 – 0). The Budget Committee recommends this appropriation (8 – 0). Majority vote required.

The estimated tax impact is \$0.006 per \$1,000 of property valuation.

**ARTICLE #13**: To see if the Town will vote to raise and appropriate the sum of **\$26,566.00** (Twenty Six Thousand Five Hundred Sixty Six Dollars) in support of the following Social Service Agencies:

AGENCY	AMOUNT
Seacoast Family Promise	\$100.00
Corner Stone VNA	\$2,393.00
Lamprey Health Care	\$4,500.00
Seacoast Mental Health	\$1,000.00
Child & Family Services	\$1,000.00
Richie McFarland Children Center	\$2,700.00
Sexual Assault Support Serv	\$700.00
A Safe Place & Sexual Assault Support Serv	\$750.00
AIDS Response Seacoast	\$575.00
Friends Retired Sr. Volunteer Program	\$100.00

#### The Board of Selectmen recommends this appropriation (3 - 0). The Budget Committee recommends this appropriation (7 in favor). Majority vote required.

The estimated tax impact is \$0.049 per \$1,000 of property valuation.

ARTICLE #14: To see if the Town will vote to raise and appropriate the sum of \$4,000.00 (Four Thousand Dollars) for the purpose of conducting courtesy inspections of boats using the State Boat Launch at the Fundy Boat Ramp and the Pawtuckaway State Park Boat Ramps on Pawtuckaway Lake to remove fragments of exotic invasive aquatic species and to educate the public on how to prevent the spread of exotic species from water body to water body. The Board of Selectmen recommends this appropriation (3 – 0). The Budget Committee recommends this appropriation (6 in favor). Majority vote required.

The estimated tax impact is \$0.007 per \$1,000 of property valuation.

**ARTICLE #15**: To see if the Town will vote to change the number of Library Trustees from three (3) to five (5), in accordance with RSA 202-A:6. If the town votes to enlarge the board to five (5) members, at the first annual meeting following this meeting, the town shall elect two (2) members for a 3-year term and one (1) member for a one-year term. At the next succeeding annual meeting two (2) members shall be elected for a 3-year term, at the next following annual meeting one (1) member shall be elected for a 3-year term, and at succeeding annual meetings members shall be elected to fill the vacancies regularly occurring. The Board of Selectmen recommends this warrant article (3 - 0). Majority vote required.

**ARTICLE #16**: To see if the Town will limit the amount held in the "Cable Franchise Fund" previously established, to a maximum of \$30,000.00 (Thirty Thousand Dollars) at any time, and direct all funds in excess of that amount to the general fund. The Board of Selectmen recommends this warrant article (3 - 0). The Budget Committee recommends this appropriation (8 - 0). Majority vote required.

**ARTICLE #17:** To see if the Town will approve of directing the Board of Selectmen and Board of Assessors to mail a copy of any property tax card that changes assessed value to a property owner during any tax year, with the exception of the assessing "revaluation year". "Revaluation year" occurs once every five (5) years, and the company contracted to perform the revaluation will mail new assessments to all property owners. The Board of Selectmen recommends this warrant article (3 – 0). The Budget Committee recommends this appropriation (8 - 0). Majority vote required.

**ARTICLE #18:** To transact any other business, which may legally come before this meeting.

Given under our hands and seal this 9th day of February in the Year of Our Lord Two Thousand and Fifteen.

#### Nottingham Town Meeting Minutes - March 10, 2014

#### MINUTES OF THE ANNUAL TOWN MEETING TOWN OF NOTTINGHAM 2014

The Moderator, Bonnie Winona MacKinnon, called the meeting to order at 8:00 AM on Tuesday, March 11, 2014 at the Nottingham Municipal Building. Article #1 was acted upon from 8:00 AM to 7:00 PM. The meeting was recessed at 7:00 PM by the Moderator, to reconvene at 9:00 AM on Saturday, March 15, 2014 at the Nottingham Elementary School to act on **Articles # 2 through # 19**.

At 9:00 AM on March 15, 2014, The Moderator welcomed everyone. She asked that all cell phones be turned off and that voters register to vote with the ballot clerks and receive their red voter cards.

After several announcements were made regarding upcoming community events and fund raisers, the Moderator introduced Emilie Buchanan, a Nottingham Elementary School pupil, (assisted by Michele Carvalho). Emilie gave a presentation to raise awareness of the Nottingham Knights Playground Project, which seeks to raise \$60,000 to up-date and replace playground equipment at the school.

Marjorie Carlson's retirement after serving as the town bookkeeper for 29 years was announced. Heidi Carlson accepted the acknowledgment on her mother's behalf.

It was announced that lifelong resident Phillip C. "Archie" Fernald passed away on March 7, 2014 at the age of 92. He had served the community as Road Agent, Building Inspector, School Board Member and a Budget Committee Member. He further served as a Selectman for 24 years. A moment of silence was observed in his honor.

Dominica Deluca read an excerpt from one of Edgar Everett Hale's editorials regarding the meaning and value of town meeting.

The Moderator announced that lunch was being provided by the Women's Fire Auxiliary and that the proceeds from sales would be used to purchase carbon monoxide detectors for the town residents.

At 9:30 AM, the Moderator called the meeting to order and recognized all of the town officials, thanking them for their service. She further asked that all veterans stand and be recognized. They were given a round of applause. She thanked Brian McClelland for operating the sound/video equipment.

After the Pledge of Allegiance, the Moderator stated the following additions to rules of procedure (found printed on the inside cover of the Town Report):

- 12. No negative motions.
- 13. No amendments to amendments.

The Moderator read the results of the School District Election held on March 11, 2014:

School Board Member 3 years	Lorraine Ferland
School Board Member 3 years	Susan Levenson
School Board Member 1 year	Lauren Chaurette
Moderator 3 years	Terry Bonser
Treasurer 3 years	Cheryl Travis

The Moderator announced that all of the School District warrant articles had passed at the town elections and that the details of the votes could be found on the Town's web site.

After discussion, Article #17 passed by card vote.

Upon motion duly made and seconded, it was moved to invoke the provisions of RSA 40:10 as to Article #17.

The motion passed by card vote.

Article # 18: To see if the Town of Nottingham will urge the New Hampshire Legislature to join 500 municipalities and 16 other States in calling upon the United States Congress to move forward a Constitutional amendment as follows:

Section 1. The rights protected by the Constitution of the United States are the rights of natural persons only. Artificial entities established by the laws of any State, the United States, or any foreign state shall have no rights under this Constitution and are subject to regulation by the People, through Federal, State, or local law. Section 2. Federal, State, and local government shall regulate, limit, or prohibit contributions and expenditures to ensure that all citizens, regardless of their economic status, have equal access to the political process, and that no person gains, as a result of their money, substantially more access or ability to influence in any way the election of any candidate for public office or any ballot measure.

Federal, State, and local government shall require that any permissible contributions and expenditures be publicly disclosed.

The judiciary shall not construe the spending of money to influence elections to be speech under the First Amendment. **(By Petition)** 

Article #18 was moved by Peter White and seconded by Steve Soreff.

A motion was made by Mary Bonser and seconded by Mark Carpenter to amend Article #18 by removing therefrom Section 1 so that Article #18 read as follows:

Article # 18: To see if the Town of Nottingham will urge the New Hampshire Legislature to join 500 municipalities and 16 other States in calling upon the United States Congress to move forward a Constitutional amendment as follows:

Federal, State, and local government shall regulate, limit, or prohibit contributions and expenditures to ensure that all citizens, regardless of their economic status, have equal access to the political process, and that no

person gains, as a result of their money, substantially more access or ability to influence in any way the election of any candidate for public office or any ballot measure.

Federal, State, and local government shall require that any permissible contributions and expenditures be publicly disclosed.

The judiciary shall not construe the spending of money to influence elections to be speech under the First Amendment.

After discussion, the amendment to Article #18 failed by card vote.

Article #18 as written passed by card vote.

Upon motion duly made and seconded, it was moved to invoke the provisions of RSA 40:10 as to Article #18.

The motion passed by card vote.

Article #19: To transact any other business which may legally come before this meeting.

There being no further business to transact, upon motion made by Mary Bonser and seconded by Charlene Andersen, the meeting was adjourned at 3:00 PM.

Respectfully submitted,

Sandra Wileston

Sandra W. Weston, Town Clerk

## **TOTAL RECEIPTS** \$848,339.55

## **REMITTED TO TREASURER** \$848,339.55

Residents continue to take advantage of the ability to renew their auto registrations (for vehicles up to 26,000 pounds), dog licenses, and requests for certified copies of birth, death, marriage and divorce records electronically by going to the Town's web site, clicking on the appropriate icon and following the instructions to complete their transactions. By offering this service, the Town Clerk's office is open for business 24/7.

Additionally, in April the Clerks became registered boat agents with the Department of Motor Vehicles which enabled residents to register their boats locally.

Respectfully submitted,

Sandia Waleston

Sandra W. Weston, Town Clerk

# Trustees of the Trust Fund

This year has brought several changes in the Trustee membership. Gail Powell resigned from the Trustees of the Trust Fund after many years of service. She had been involved in many of the recent changes in the Trust including computerizing the Fund. She has served as Treasurer and Secretary over the years and has been a major influence in the shaping of Trust policies and procedures. We thank Gail for her outstanding service and will miss her input.

Vytautas 'Vito' Kasinskas has been appointed by the Selectboard to fill Gail's position. In addition to his work on a number of committees in East Kingston, he has had over fifteen years experience on the East Kingston Trust. We have also created the new position of Alternate which has been filled by Robert Prieto. This appointment will enhance membership in order to ensure that we have a quorum at meetings and have a larger pool of trained personnel.

Gail Mills trained Lisa Kennard on the computer software that contains our chart of funds that we record outflow and input of monies, including monthly interest of each fund. They have worked together in the stages of drafting a policies and procedures handbook that the new members will also aid in completing.

Over six years ago, we were able to negotiate an interest rate of 2.5% with TD Bank. This rate will be up for renegotiation in a few months. We will be contacting various banks throughout the state to get the best interest rate possible for the funds we manage.

Trust Funds	Balance
Van Dame Fund	\$569.66
Drowns Dam Beach Fund	943.56
Nottingham School District Building Repairs	31,826.25
Nottingham School District Special Education	72,381.44
Trust of Douglas D McLean	119,562.12
Highway Truck	149,971.68
Recycle Center	85.65
Fire Department Building	552.55
Fire & Rescue Vehicle Fund	272,272.47
Cemetery Fund	81,825.58
Dr. Arthur Fernald	5,458.78
Lisa Batchelder Memorial	996.49
Revaluation	62,097.59
Town Bldg Maint & Repair	3,037.37
Tri-Centennial Fund	10,198.37
Grand Total Principal and Income	\$811,779.56

This is an increase of \$158,160.44 over the previous year's total.

Gail Mills	Lisa Kennard
Gail Powell	Vytautas 'Vito' Kasinskas

### TOTAL 2014 TAX RATE \$21.82

**NOTE**: Tax Calculations are per \$1000 of total valuation. The State of NH Education Tax is per Law and calculated by NH Department of Revenue Administration for all NH Municipalities – the 2014 rate is \$2,480.00 per \$1000 of EQUALIZED valuation.

A revaluation, as a whole, does not affect real estate taxes. The Budget Committee establishes a budget and presents it to residents at Annual Town Meeting. After Town Meeting the budget is set and does not change. The amount of money that each property owner must pay is their portion in relation to all other properties to raise the total approved budget amount.

The NH Department of Revenue Administration (NH DRA) annually conducts a sales to assessment ratio study to establish an overall assessment ratio. The Assessment Ratio is a measurement of the assessment level of a municipality; the ratio for an individual property is found by dividing the assessed value by the sales price. The overall ratio for a municipality is derived from a statistical analysis of the compilation of all individual ratios.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen Town of Nottingham Nottingham, New Hampshire

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Nottingham as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Nottingham, as of December 31, 2013, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, and schedule of funding progress for other postemployment benefits on pages 7 through 21 and 54 through 60 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Nottingham's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Grzelak and Co., P.C.

GRZELAK & COMPANY, P.C., CPA's Laconia, New Hampshire June 25, 2014

#### Town of Nottingham For the Year Ended December 31, 2013

The Board of Selectmen and the Town Administrator, as "management" of the Town of Nottingham (the "Town"), a local municipality located in the County of Rockingham, New Hampshire, submits this section of the Town's annual financial report in order to present our discussion and analysis of the Town's financial performance during the year ended December 31, 2013 in accordance with the provisions of Governmental Accounting Standards Board Statement 34 (GASB 34). Please read it in conjunction with the financial statements, which follow this section.

## FINANCIAL HIGHLIGHTS

- The Town's total combined net position increased by \$223,485 or 2% between December 31, 2012 and 2013.
- The Town's total combined net position amounted to \$10,856,822 at December 31, 2013. Net position consisted of: \$8,725,987 net investment in capital assets; \$359,498 restricted for capital reserves; \$1,111,028 restricted for nonmajor funds for purposes of each established fund; and an unrestricted net position balance of \$660,309.
- The Town has a \$1,821,321 liability for long-term obligations, \$1,440,491 of that amount, reduces net investment in capital assets under GASB 34. This does not mean that the Town has this entire payment requirement for next year; rather, only \$180,340 of these obligations is due to be paid during the year ended December 31, 2013.
- The Town's long-term liabilities, consisting of general obligation bonds, compensated absence obligations, and other postemployment obligations decreased by a net (additions less reductions) \$147,500 during the year ended December 31, 2013. The net decrease consisted of \$207,198 in payments made against bonds and capital leases and \$59,698 in additions to compensated absences and other postemployment obligations.
- During the year, the Town's expenses were \$223,485 less than the \$3,991,428 in revenues generated from charges for services, operating grants and contributions and general revenues (consisting of property taxes and local, state and federal grants and contributions not restricted to specific purposes).

#### Town of Nottingham For the Year Ended December 31, 2013

#### CONDENSED FINANCIAL INFORMATION AND ANALYSIS OF THE TOWN AS A WHOLE

#### **Net Position**

Exhibit B-1 shows the composition of the Town's total combined net position, which increased between December 31, 2012 and 2013 by \$223,485 or 2% to \$10,856,822.

A portion of the net position are either invested in capital assets or restricted as to the purposes they can be used for.

- The Town's investment in capital assets (land and land improvements, buildings, vehicles, furniture and equipment and infrastructure, net of accumulated depreciation), net of related debt, is the largest component of the total combined net position.
- Restricted net position represent capital project, capital reserves and specific fund net position amounts that are not available for discretionary spending.

Unrestricted net position is a positive \$660,309 at December 31, 2013.

#### Town of Nottingham For the Year Ended December 31, 2013

#### Change in Net position

The Town's total revenues were \$3,991,428 while total expenses were \$3,767,943, resulting in an increase in net position of \$223,485.

Exhibit B-2 shows that a significant portion of the Town's total revenues came from the following general revenue sources; 58.90% from property taxes, 21.52% from local sources and unrestricted fees, 5.47% from State of New Hampshire source intergovernmental revenues primarily derived from state aid programs. Program revenues directly associated with a specific department accounted for the following percentages of total revenues, charges for services provided 7.24% of total revenues while operating grants and contributions provided 3.24% of total revenues.

#### Exhibit B-4 TOTAL AND NET COST OF SERVICES

#### Town of Nottingham For the Year Ended December 31, 2013

The total cost of all governmental activities this year was \$3,767,943; the total net cost was \$3,349,362. The primary financing for these activities of the Town was as follows:

#### General Revenues

- Taxes The amount that was paid by taxpayers was \$2,351,017 from property taxes, \$68,504 from land use change taxes, \$7,024 from yield taxes, and \$93 from other taxes. Interest collected on delinquent taxes was \$158,917, while abatements charged against current year taxes were \$16,254.
- Licenses, permits and fees Motor vehicle permits were \$772,729 while building permits were \$32,882 and other licenses, permits and fees totaled \$53,148.
- State of NH sources Shared revenues were \$0, meals and rental tax distributions were \$214,975, while other state sources amounted to \$3,352.
- Miscellaneous revenues Interest on investments were reported in the amount of \$15,223, sales of municipal property were \$7,785 while other miscellaneous revenues amounted to \$111,560.
- Other financing sources Charges for services amounted to \$10,176.

#### Town of Nottingham For the Year Ended December 31, 2013

#### ANALYSIS OF BALANCES AND TRANSACTIONS OF THE TOWN'S INDIVIDUAL FUNDS

#### **General Fund**

The general fund balance increased \$86,679 during the year from a surplus balance of \$1,313,958 at December 31, 2012 to a \$1,400,637 fund balance at December 31, 2013. The December 31, 2013 fund balance was comprised of \$359,498 restricted for capital reserves, \$22,418 assigned by the selectmen for encumbrances, and \$1,018,721 of unassigned fund balance.

#### Nonmajor Governmental Funds

#### Library Fund

The library fund is classified as a special revenue fund and is aggregated in the category nonmajor governmental funds in the basic financial statements. The library fund is used to account for the operations of the Town library. The library fund balance increased \$6,009 during the year from a surplus balance of \$37,146 at December 31, 2012 to a balance of \$43,155 at December 31, 2013.

#### Recreation Revolving Fund

The recreation revolving fund is classified as a special revenue fund and is aggregated in the category nonmajor governmental funds in the basic financial statements. The recreation revolving fund was established in accordance with state statutes to account for revenues collected in connection with recreation programs and activities. The recreation revolving fund balance increased \$14,452 during the year from a surplus balance of \$125,880 at December 31, 2012 to a balance of \$140,332 at December 31, 2013.

#### Conservation Fund

The conservation fund is classified as a special revenue fund and is aggregated in the category nonmajor governmental funds in the basic financial statements. The conservation fund was established to account for land use change tax revenues voted at a previous town meeting to be set aside for conservation purposes. The conservation fund balance increased \$19,797 during the year from a balance of \$415,492 at December 31, 2012 to a balance of \$435,289 at December 31, 2013.

#### DARE Fund

The DARE fund is classified as a special revenue fund and is aggregated in the category nonmajor governmental funds in the basic financial statements. The DARE fund was established to account for donations earmarked for a specific purpose. The DARE fund had a balance of \$6,520 at December 31, 2013.

#### Town of Nottingham For the Year Ended December 31, 2013

#### NCPP Playground Fund

The NCPP playground fund is classified as a special revenue fund and is aggregated in the category nonmajor governmental funds in the basic financial statements. The NCPP playground fund was established to account for revenues and donations earmarked specifically for the construction of the playground. The NCPP playground fund had a balance of \$13,544 at December 31, 2013.

#### Ambulance Fund

The ambulance fund is classified as a special revenue fund and is aggregated in the category nonmajor governmental funds in the basic financial statements. The ambulance fund was established to account for revenues from ambulance service billings. The ambulance fund balance decreased \$108,176 during the year from a balance of \$330,975 at December 31, 2012 to a balance of \$222,799 at December 31, 2013.

#### Theatre Project Fund

The Theatre Project fund is classified as a special revenue fund and is aggregated in the category nonmajor governmental funds in the basic financial statements. The fund was established to account for revenues and donations earmarked specifically for the theatre project. The fund balance at December 31, 2013 was \$5,848.

#### Cable Franchise Fee Fund

The cable franchise fee fund is classified as a special revenue fund and is aggregated in the category nonmajor governmental funds in the basic financial statements. The fund was established in 2011 to account for upgrades to the towns' cable TV system. 50% of annual cable franchise fees are designated to the fund. The fund balance at December 31, 2013 was \$41,949.

#### Common Trust Funds

The common trust funds are classified as a permanent trust fund and are aggregated in the category nonmajor governmental funds in the basic financial statements. The common trust funds balance decreased \$3,013 during the year from a balance of \$82,267 at December 31, 2012 to a balance of \$79,254 at December 31, 2013. The fund balance is comprised of nonspendable endowments in the amount of \$49,455 and \$29,799 of restricted income.

#### McLean Rescue Squad Fund

The McLean rescue squad fund is classified as a permanent trust fund and is aggregated in the category nonmajor governmental funds in the basic financial statements. The McLean Rescue Squad fund was established in 1997 in accordance with the last will and testament of Douglas McLean. The trust was accepted by the Town and transferred to the Trustees of Trust Funds in 2004 in accordance with a Rockingham County Probate Court Decree. The McLean Rescue Squad Fund balance was \$122,338 at December 31, 2013. The fund balance is comprised of \$109,168 of nonspendable endowments and \$13,170 of restricted income.

#### Town of Nottingham For the Year Ended December 31, 2013

#### **GENERAL FUND BUDGETARY HIGHLIGHTS**

For the year ended December 31, 2013 the Town did not revise its statutory budgetary line items; rather, the Town's budgetary control was managed on an aggregate total budget-to-actual basis; total estimated revenues and appropriations versus actual revenues and expenditures.

#### Final Versus Original Budget Comparison

The original and final budgets varied by \$71,112 of encumbrances carried forward from the prior year.

#### Actual Versus Final Budget Comparison

The amounts of actual inflows (resources) and outflows (charges to appropriations) varied from the final budget for the following significant items:

- Actual inflows (resources) exceeded the budgetary revenue estimates by a positive variance of \$776,045. \$627,255 in fund balance was either restricted or retained during the budgetary process and not used to offset voted appropriations.
- Actual outflows (expenditures or charges to appropriations) were less than the total budgeted appropriations by \$265,094.

#### Town of Nottingham For the Year Ended December 31, 2013

#### CAPITAL ASSET AND DEBT ADMINISTRATION

#### **Capital Assets**

At December 31, 2013, the Town had invested \$10,166,478 (\$30,289,779 at cost or estimated cost less accumulated depreciation of \$20,123,301) in a broad range of capital assets, including land and land improvements, infrastructure, buildings, vehicles and machinery and equipment as summarized in Exhibit C-1.

This amount represents a net increase of 0.53% over the prior year. This year major additions are also summarized in Exhibit C-1.

#### Exhibit C-1 NET CAPITAL ASSETS AND MAJOR ADDITIONS **Governmental Activities** 2012 **Net Capital Assets** 2013 Change 1,510,720 Land and improvements \$ \$ 1,544,720 2.25% Infrastructure 22,604,632 22,863,593 1.15% Buildings 2,520,051 2,537,336 0.69% Vehicles 2,019,160 2,197,275 8.82% Machinery and equipment 1,064,832 1,146,855 7.70% Capital assets, at cost 1.92% 29,719,395 30,289,779 Accumulated Depreciation (19,606,369) -2.64% (20, 123, 301)Capital assets, net 10,113,026 10,166,478 0.53% Increase in Capital Assets, Net 53,452 Changes 34,000 \$ Land and improvement additions Infrastructure additions 258,961 Building additions 17,285 365,364 Vehicle additions Machinery and equipment additions 109,382 Gain / (Loss) on disposals (94,713) Depreciation expense (636,827) 53,452

More detailed information about the Town's capital assets is presented in the notes to the basic financial statements.

#### Town of Nottingham For the Year Ended December 31, 2013

#### Debt

At December 31, 2013, the Town had \$1,640,981 of long-term obligations (\$1,821,321 in total obligations less the current portion of \$180,340) as summarized in Exhibit C-2.

This amount represents a net decrease of 6.85% from the prior year.

		Go	vernm	ental Activities

Change in OPEB obligations				31,000		
Change in current portion			_	26,858		
			\$	(120,642)		

#### Exhibit C-2 LONG-TERM LIABILITIES

State law (RSA 195:6II) limits the amount of general obligation debt that the Town may incur at any one time to 1.75% of the locally assessed valuation as equalized by the Commissioner of the New Hampshire Department of Revenue Administration. At December 31, 2013, the Town was significantly below its legal debt limit of approximately \$9,825,543.

More detailed information about the Town's long-term liabilities is presented in the notes to the basic financial statements.

#### Town of Nottingham For the Year Ended December 31, 2013

#### ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

Town management and the Selectmen considered many factors when submitting the 2014 budget to the Municipal Budget Committee and the Town voters.

Priorities for the town, as reflected in the spending planned for 2014, included:

- Maintenance of our investments in town properties and equipment
- Meeting the demands of increased insurance premiums, both employee health insurance and property and liability insurance.
- Upgrades to the recycling center to provide operational efficiencies and improved customer experience
- Keeping town employee wages and salaries in line with the cost of living, and continuing to meet increasing retirement benefit costs

Savings were anticipated compared to prior years with legal services, debt service, some utilities in town buildings and unemployment and workers compensation insurance. We continue to use the Capital Improvement Plan to guide larger investments and provide for the long-term health of the town's finances.

As we have stated in prior years, we are constantly working toward keeping tax rates stable while maintaining reasonable levels of service to the community.

#### CONTACTING THE TOWN'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have any questions about this report or need additional financial information, contact the Town Administrator.

Reports of the Town Departments, Boards & Committees & Elected Officials

# Board of Selectmen

This has been a year of transition for the Town of Nottingham as we thank long time members of our town offices who retired in 2014, welcome newly hired members, and set in place working groups and policies for coming years.

On behalf of the many Selectmen and residents touched by Charlie Brown and Marge Carlson, our now former Town Administrator and Accounting Clerk, respectively, we send a warm thank you for your service. Your dedicated service over many years strengthened the bedrock on which our town was founded and has thrived.

We welcomed Chris Sterndale in the spring of 2014 as our new Town Administrator. In a very short time Chris has come up to speed, continued many efforts that were already underway and has made great strides providing leadership for our many departments and guidance for the Board of Selectmen.

We welcomed Betsy Warrington, formerly assistant tax collector, to the position of Accounting Clerk. Betsy has taken on the new role seamlessly and we are very pleased to have her on board.

We also welcome Donna Danis as our newest Selectman and wish to thank former Selectman Hal Rafter for his service.

One of the areas the board studied this year was the pay structure of town employees, how our compensation practices compared with other towns, and how to ensure competitiveness going forward. We determined that matching pay to performance is a much better system than the traditional cost of living adjustment system. We have set the town employees onto a merit pay system going forward with 2015 being a transition year.

The board also established that Marston Property Exploratory Committee, with a request that this group explore, with the townspeople, options for what could or should be done with the Mastron property that is owned by the Town of Nottingham. We would like to thank Selectman Danis for volunteering to lead this group, made up of members from other committees and boards of the town and other interested townspeople. We would also like to thank the nearly 100 townspeople who participated in the "What goes here?" gathering which was hosted by NH Listens. The input has been valuable and we look to make next steps in 2015.

This year has also been one of heroic efforts in the face of tragedy. We wish to thank our Fire Department and Police Department for their service. From major structure fires to heroic rescue efforts, these are the people who put their lives on the line each and every day so that we might live in peace and safety.

Finally we would like to thank all townspeople who have responded to our efforts to enable increased recycling. 2014 saw a significant increase in recycled material tonnage and significant decrease in municipal solid waste tonnage. We are trending in the right direction and since the town financially benefits from every pound of recycled material, your efforts have a direct impact on keeping property taxes allocated from the town as low as possible.

Respectfully submitted, Mark A. Carpenter, Mary & Bonser, Selectman Donna Danis, Selectman Chairman

# Board of Assessors

During their regular business meetings throughout the 2014 calendar year, the Board of Assessors (BOA) processed Current Use Application, Land Use Change Tax Bills, Timber Tax Levies, Gravel Tax Levy, Intents to Cut, Intents to Excavate and Abatement Applications

The Board of Assessors meets regularly during the year, and welcomes the public to attend. The meeting schedule is available on the Town website or at the Town Office.

Per the Board of Assessors recommendation, the Board of Selectmen hired Avitar Associates of New England, Inc. Avitar is in the 3<sup>rd</sup> year of the 3 year contract. In 2015 Avitar will be responsible for contract assessing, data verification and pick-ups. In addition, Avitar will conduct a full update in 2015.

Public notices informing residents of the assessing company collecting property data will be posted on the Town website, Channel 22, and at the Town Office. Additionally, residents may call the Town Office (603) 679-5022 for verification of data collectors.

E.T. Keed

Eugene T. Reed, Chairman

Susanz Serino

Sue Serino, Assessing Coordinator

Jason Neuman

### Notice Regarding Involuntarily Merged Lots

This notice is to inform residents that any involuntarily merged lots may be restored to their premerger status upon written request from the owner. This request must be submitted to the governing body prior to December 31, 2016 and, if possible, should include documentation of the premerger status (recorded plan or tax map). Please be advised that restoration of the lots to their premerger status shall not be deemed to cure any non-conformity with existing local land use ordinances. See entire RSA below.

#### TITLE LXIV / PLANNING AND ZONING / CHAPTER 674 LOCAL LAND USE PLANNING AND REGULATORY POWERS Regulation of Subdivision of Land

#### Section 674:39-aa

RSA 674:39-aa Restoration of Involuntarily Merged Lots. -

I. In this section:

(a) "Involuntary merger" and "involuntarily merged" mean lots merged by municipal action for zoning, assessing, or taxation purposes without the consent of the owner.

(b) "Owner" means the person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger.

(c) "Voluntary merger" and "voluntarily merged" mean a merger under RSA 674:39-a, or any overt action or conduct that indicates an owner regarded said lots as merged such as, but not limited to, abandoning a lot line.

II. Lots or parcels that were involuntarily merged prior to September 18, 2010 by a city, town, county, village district, or any other municipality, shall at the request of the owner, be restored to their premerger status and all zoning and tax maps shall be updated to identify the premerger boundaries of said lots or parcels as recorded at the appropriate registry of deeds, provided:

(a) The request is submitted to the governing body prior to December 31, 2016.

(b) No owner in the chain of title voluntarily merged his or her lots. If any owner in the chain of title voluntarily merged his or her lots, then all subsequent owners shall be estopped from requesting restoration. The municipality shall have the burden of proof to show that any previous owner voluntarily merged his or her lots.

III. All decisions of the governing body may be appealed in accordance with the provisions of RSA 676.

IV. Any municipality may adopt local ordinances, including ordinances enacted prior to the effective date of this section, to restore previously merged properties that are less restrictive than the provisions in paragraph I and II.

V. The restoration of the lots to their premerger status shall not be deemed to cure any nonconformity with existing local land use ordinances.

VI. Municipalities shall post a notice informing residents that any involuntarily merged lots may be restored to premerger status upon the owner's request. Such notice shall be posted in a public place no later than January 1, 2012 and shall remain posted through December 31, 2016. Each municipality shall also publish the same or similar notice in its 2011 through 2015 annual reports.

# Budget Committee

The role of the Budget Committee is very important and worth reviewing for citizens of Nottingham. As defined by Municipal Budget Law, RSA Chapter 32, three of the primary responsibilities of an official Budget Committee are:

To prepare the budget as provided in RSA 32:5

To confer with the governing body or bodies (School Board and Board of Selectmen) and with other officers, department heads and other officials, relative to estimated costs, revenues anticipated, and services performed to the extent deemed necessary by the budget committee

To conduct the public hearings required under RSA 32:5

The Committee is made up of eleven members, one from the Board of Selectmen, one from the School Board, and 9 other elected to the Committee with various terms up to 3 years. This allows the Committee to have members that represent all segments of our community. All 11 members see their role as representing the community, by insuring the Town and School have the resources to provide excellent services at reasonable costs to the Taxpayers.

In the process of developing the Budget and ongoing monitoring of both the Town and School, the Committee meets around 20 times per year. Ongoing monitoring is a critical part of the Committees responsibilities in order to help us understand better the requests that are submitted for funding each year.

By the time this report appears in the Annual Town Report, the Nottingham Budget Committee will have held 15 public meetings for the purpose of building prudent operating budgets for both the Town and School. The School Board and Board of Selectmen each meet minimum of three times with the Budget Committee to present first, second and final draft budgets, the last of which contains estimated tax impact.

At a public hearing, the Budget Committee receives citizen input on the proposed budget. The attendance at these meetings is important for the Committee, as this provides the information on how citizens feel regarding budget requests. At the close of the hearing, the Budget Committee conducts a final review and makes adjustments if appropriate. It is the Budget Committee's budget that gets put forward at the deliberative session and Town meeting. The Committee also votes to recommend or not recommend individual warrant articles that have related appropriations.

Once a budget is adopted, the Budget Committee cannot tell the Governing Body how to spend appropriated funds. The Governing Body can transfer money between budget lines, as long as a line that exists, has enough money allocated in it, and does not cause an overspend of the entire budget.

I would like to thank each member of our Committee for their diligent effort on behalf of the taxpayers. Also, thank you to the Board of Selectmen, Town Administrator, Town Department Heads, School Board Members, and SAU and School Administration for their cooperation and hard work in a challenging economy.

Respectfully submitted,

Chester G. Batchelder, Chair

## Moderator

Town Meeting, the core and heart of New England democracy, grew out of the Protestant reformation of the 16th century. The people who settled Nottingham and other early New England towns, were Puritans, were Congregationalists and Unitarians, Protestant religious reformers. They called themselves the priesthood of all believers. These believers thought that priests and such religious leaders were unnecessary for communion with god, thus limiting the role of clergy and expanding the role of laity. They established congregations of worshipers, with each local church independent of other congregations, ecclesiastically sovereign.

They organized their local government in the same way, such that out of their religious philosophy and church organization, Town Meeting arose as the form of government. Town Meeting is based on old puritanical values still important in our local culture today. Our forbears shunned hierarchy, and leaders. All members of the congregation were equal. They espoused community responsibility, high morals, the Protestant work ethic, and thrift. They understood the value of education and they prized local, self-government.

Town Meeting is found only in the New England states. It is the legislative body in many towns still; at its core is the principle of equality. Once a year, we decide our budget and vote the articles on the Warrant. Any citizen may place article<s> on the Warrant. In the Meeting, every participant who is a member <registered voter>, has equal standing before the governing body. Here, everyone's opinion is valued, everyone has the right to address the Meeting, every vote carries equal weight. Here, no one is a leader -- not our Selectmen or elected officers, not town employees, not politicians of any stripe. No one is hierarchically above or beneath. We are equal partners in governing the town, practicing true democracy.

The Moderator, "presides at town meetings, regulates the business thereof, decides questions of order, and makes a public declaration of every vote passed." <RSA 40:4>; establishes the Rules of Procedure, keeps order, and strives for efficient and respectful conduct of the Town's business; and has broad authority from the NH Legislature to rule on questions and issues that arise. But the Moderator's decision may be overruled by motion of the voters at the Meeting.

Town Meeting began at Town Hall at 8 AM on Tuesday, March 11, 2014 with the opening of the polls for the election of town officers, Article 1 of the Warrant. The Meeting was adjourned at 7 PM and reconvened the following Saturday, March 15, 2014 at the Nottingham School. On Saturday, Articles 2 through 19 were acted upon.

The Moderator is elected for a two year term. Bonnie Winona MacKinnon was re-elected for a second term in March of 2014. The Moderator was paid an annual stipend of \$600.

The Moderator is the chief election officer in charge of the polls at all elections. Election days are very long for the entire election crew, especially officers. The Moderator works closely with other election officers <Town Clerk, Supervisors of the Checklist, and Selectmen> to ensure the integrity of the election process. She oversees the voting, the vote counting, tests the vote count machine a week prior to the election, makes sure the security tape & seals of the vote count machine are intact before the polls open, appoints election workers as needed, places all election workers at their stations, monitors campaigners for compliance with electioneering laws, announces the winners/results of elections, conducts recounts when required.

Written Electioneering Rules for Nottingham have been established to inform candidates. Candidates for office are encouraged to go to the election information on the town website and become familiar with the do's and don't's of electioneering.

The Moderator must keep up with changes in election law and procedure in order to keep the town in compliance with federal and state law. Nottingham's election crew has worked diligently to bring the Town into compliance with new and existing statutes and procedures. Elections in NH are carefully inspected by a representative of the Department of Justice's Election Division. Since becoming Moderator, I have attended all annual trainings at the NH Municipal Association on the conduct of Town Meeting<Feb 2014>. And I have taken all the workshops and trainings offered by the NH State Department's Election Division on changes in election law and procedure <September 2014>. I meet with the Selectmen prior to Town Meeting to go over the Warrant.

2014 Town & Federal Elections:	March 11:	Town Elections
	March 15:	Town Meeting
	September 9	<b>Primary Elections</b>
	November 04	<b>General Elections</b>

Before each election, except the Town Meeting, the Moderator and the Town Clerk test the vote count machine in a noticed, public meeting one week before the elections.

Respectfully submitted, Bonnie Winona MacKinnon, Nottingham Town Moderator

# Supervisors of the Checklist

In the Town of Nottingham, voter registration is the responsibility of the three Supervisors of the Checklist, each elected for a six-year term.

### The Supervisors of the Checklist for 2014 are:

Dee-Ann S. Decker – Chair (2020) Ruth Anne Fuller (2018) JoAnna Arendarczyk (2016)

The Supervisors of the Checklist duties are to register voters and correct the checklist in accordance with the State's Election regulations and the calendar established by the Secretary of State. There is a lot of work performed by the supervisors both before and after an election. Prior to an election we hold public sittings to register new voters and enter and approve applications taken by the town clerks. We prepare the voter checklist and are present whenever it is in use during an election or meeting. After an election we enter all Election Day registrations, make corrections to names and addresses as requested by voters on Election Day and then scan each voter into the database to maintain voter history. We continue to work to identify duplicate voters in the database and merge the records. Duplicates happen when a voter is already in the database and is entered as a new voter in a different town; many times it is due to a spelling error in the name.

With three elections and one school deliberative session, 2014 was a busy election year.

#### March 11<sup>th</sup>, 2014 Town Election:

We started with 3361 voters on the checklist- 1094 Republicans, 845 Democrats and 1422 Undeclared.

12 new voters registered to vote at the polls, 540 voters cast ballots at town elections- 211 Republicans, 126 Democrats and 203 Undeclared and 8 completed a CVA to vote because they did not show a valid ID.

#### September 9th, 2014 State Primary:

We started with 3383 voters on the checklist - 1096 Republicans, 850 Democrats and 1437 Undeclared.

22 new voters registered at the polls, 596 voters cast ballots at the polls- 352 Republicans, 61 Democrats, 183 Undeclared, and 4 completed a CVA to vote because they did not show a valid ID.

#### November 4<sup>th</sup>, 2014 General Election:

We started with 3418 voters on the checklist- 1104 Republicans, 854 Democrats and 1460 Undeclared.

112 new voters registered at the polls, 2017 cast ballots at the polls- 735 Republicans, 459 Democrats, 823 Undeclared and 15 completed a CVA to vote because they did not show a valid ID.

In 2012 the legislature passed the "Voter ID" law and more changes are coming. The new law phases in a photo ID requirement over a period of time and the first election this new law was implemented was the September State Primary. The state held trainings for the selectmen, town clerks, supervisors and ballot clerks to help implement the new law and use of the new Challenge Voter Affidavit (CVA).

New Hampshire uses a database called ElectioNet to maintain voter information. Each voter is assigned a unique voter identification number barcode which moves with the voter from town to town within the state. We do not have a national database at this time. In maintaining the database, Supervisors remove voters when they move out of town and when we are notified by NH Vital Statistics of a death, update streets and addresses based on the 911 state system, and update voter records including name, address and party changes as requested by voters.

When scanning the checklist after a primary election we also record the party of the ballot chosen by each Undeclared voter. Voters remain registered to this party UNLESS they (1) sign the "return to undeclared" list before leaving the polls or (2) request in person and by signing a form available from the Town Clerk. After an election has been finalized and reported, the Supervisors are then authorized to return voters to Undeclared status as requested.

Voters may view the checklist in either the Town Clerk's office or at the Blaisdell Memorial Library during their regular hours. Additionally voters can visit the NH Secretary of State website and use the Voter Information Look-up tool to check Absentee voter, Party and Polling place locations.

State of New Hampshire Voter Information Look-up Absentee Ballot – Party – Polling Place

In accordance with RSA 654, voters may register to vote with the Supervisors during any posted session or at any town, state or federal election. We do not register voters at town meeting or deliberative sessions. The Town Clerk also accepts registrations and changes during regular business hours. Those changes and registrations are held aside and become part of the checklist after the next posted sitting of the Supervisors.

The Supervisors of the Checklist post notices of their public sessions on the bulletin board outside the Town Clerk's office, the board in the Selectmen's Office, and the main board in the Town Office lobby. Additionally notices are posted at both Nottingham post offices, Blaisdell Memorial Library, Liar's Paradise, in *The Forum* at <a href="http://forumhome.org">http://forumhome.org</a> and on the Town website in three locations: the Meeting Calendar, News & Announcements, and the Supervisors' page. We can be reached for questions at <a href="http://decker@nottingham-nh.gov">decker@nottingham-nh.gov</a> or <a href="http://sourcements.com">SOC@nottingham-nh.gov</a>.

# Marston Property Exploratory Committee

The Marston Property, also known as the Lee Farm, is a 45 acre parcel of land located at 229 Mill Pond Road that is now owned by the Town of Nottingham. The town worked with the NH Department of Environmental Services to clean up hazardous waste and materials located on the property starting in the late 1990's. NHDES issued an Administrative order to the previous owner, Mr. Lee regarding the clean-up of the hazardous material, and placed a lien on the property for repayment of the cleanup costs in 2001.

The town became the owners of the property in 2009 and in 2013, an agreement was reached between the Town of Nottingham and the NH Department of Environmental Services for release of the lien. The agreement stated the Town would own the property on a permanent basis and it could be used only for public purposes.

During the 2013 budget process the Board of Selectmen proposed a 2014 Town Meeting Warrant Article for the demolition of the remaining buildings. This work was completed in July 2014 and after that, members of the committee worked to clean up some of the trash that was on the property. The highway department created a small parking area so that the property is now accessible to the public for passive recreational use.

In 2014 the Board of Selectmen established a sub-committee named the Marston Property Exploratory Committee (MPEC). The goal of the committee is to gather community input and develop a recommendation for the best public use of the property. The committee is made up of residents with a great variety of interests and expertise and they have been meeting on a monthly basis since May 2014.

The Committee gathered input at Nottingham Day on September 20<sup>th</sup> and held a Community Conversation led by NH Listens on October 24th. The final report of all the information that was gathered at both events is available on the Town Website under Boards and Committees/Marston Property Exploratory Committee.

The Committee will continue to meet into 2015.

I would like to thank all of the Committee members and others who have so generously committed their time to this project:

### **Recreation Department**

2014 brought a new look to the Recreation Department with creation of the new logo as part of a branding campaign. We love the new logo and hope when you see this, you will know that we are involved. In the past year we continued with the programs that have become standard in the town and added others along the way. New Zealand native Caroline Davis joined the department early in the year and brought her sunny smile and sense of fun to the programs. The kids loved learning about her country and

hearing her accent every time she answered their questions.

The first event of the year, the Valentine's Dance is one of the longest running events in town. The evening is always a great celebration of community spirit and old style charm. Around 50 people attended the event this year.

The Alpha Gamma Rho fraternity was on hand again for the annual Fishing Derby held in May. It is such a great experience to have these guys help us out and the connection with UNH is invaluable. 60 kids participated and 31 of them caught at least one fish. By the end of the derby, a total of 72 fish were caught. Prizes were donated by Riverbend Realty and Mountain

Road Trading Post while Epping Electric donated lunch for everyone.

The Halloween Party brings ghosts and goblins and a few creatures we have never seen before. Candy in the Hay was a hit as usual, but the adults asked, and they were granted a scrambling of their own that was a riot. They were the same as the kids...trying to grab the candy before the person next to them got it all. Lots of fun!

The Holiday Parade is usually held in conjunction with the PTA Children's Craft Workshop on the first Saturday in December. The

difficult decision was made to cancel the parade and some of the associated activities due to the funeral services for Nottingham EMT Diane Nugent. The Craft Workshop was still held and although there was less attendance than if the parade had been held, many families left with amazing presents in hand and smiles on their faces.

The concert series has done well each year and 2014 was no exception. The Twangtown Paramours (from Nashville, TN!), Sounds of the Seacoast, Peg & Cheryl and Susie Burke & David Surette entertained us from the Nottingham Bandstand stage in 2014.

Senior lunches are held every Wednesday at noon at the Community Center from September through June, with the Annual Picnic in June and the Holiday Party in December. Most luncheons have around 15 in attendance and the Holiday Party hit a high attendance of 32. Please join us in 2015!

The rest of our programs are paid for by participants and are Revolving Fund programs.

Our fitness programs included Line Dancing, Yoga and Balanced Eating, and Martial Arts. Martial Arts classes continue to be successful for Nottingham youth and adults, promoting healthy life styles and community service. We invested in a roll out mat system just before the end of the year. Line Dancing classes are still being held on Mondays at the Old Town Hall, utilizing a beautiful old building for an updated purpose.

Summer Camp Staff

The overall theme of our summer day camp this year was "Exploration" and we wound our way through Curiosity Week, Adventure Week and Imagination Week to name a few. 94 children participated over the summer and they explored the outdoors as much as possible. One of the highlights of the summer was the second annual Deerfield and Nottingham Summer Camp Olympics. We strived to out-do Deerfield's first attempt at this event last year and our staff did just that. After the field events, the fire truck sprayed the kids from both towns until it was time for the

ice cream sundae social. Deerfield was impressed and we know they are plotting out the 2015

Olympics already that will be held at their facility. The Pioneers continued the tradition of making a lunch for the seniors in town and other projects that promote team building and community service. 27 kids participated in Star Wars themed Lego Camp presented by Play-well Teknologies. Two half day sessions were held at the Old Town Hall which gave us the flexibility to transport children back and forth to the summer camp.

Fire truck w/ Deerfield Recreation

Soccer remains one of our biggest programs. Our fall recreation soccer program consisted of 7 teams of 1<sup>st</sup> thru 4<sup>th</sup> graders. Two additional Saturday morning programs included the preschool program and the K-1 program. A total of 140 children participated in soccer through the Recreation Department this year. We offered summer soccer clinics and hosted two teams for winter soccer as well. We hosted a Challenger Sports soccer camp in July with 30 kids attending in 2014. Two teams of 12, a total of 24 Nottingham children, participated in Flag Football through the Exeter Recreation Department.

Nottingham Day is our largest event and we are always looking for volunteers to help us add to the event each year. This past year, we thank the Bascom-Arendarczyk Farm Stand owners who joined us and hosted the first chili contest in town at Nottingham Day 2014. Congratulations go to Britt Audet for her Chili Verde. Nottingham Day would not be the same without the talents of Jen Buck. She deserves huge kudos for her dedication throughout the years as a Volunteer Extraordinaire for NDay! She is there at setup starting at 6:30am, works the entire day and is among the last to leave at the end of the day. She also does the same for the craft fair in November. THANK YOU is not nearly enough for us to say to Jen but it is a start. Thank you to Doug Smith of Roland's Sewer Service who sponsored the event as a Partner, and donated a septic pumping to the silent auction each year and thanks to Gary and Deb Cowan of Hillside Landscaping & Irrigation were Partner Level sponsors again this year. Trashbusters was a new Partner sponsor for this year and we appreciate their support. Thank you to ALL our sponsors and volunteers!

Toddler Gym started 2014 on Thursdays through the end of the school year. In the fall when we started it up we switched the day to Mondays, a day that the library does not run preschool programs in the mornings. We have had quite a following, but cancelling for holidays isn't ideal either. We are still searching for the perfect solution for this program.

We were involved in several fundraisers this year for the Playground Fund which is separate from the revolving fund. The new Vendor Fair was in March and we co-sponsored the event with the Nottingham Food Pantry. 18 vendors participated and many people came to see what the vendors had to offer. Thanks to Karen Schuster and Chelli Tennis for their efforts to put this event together. The Holiday Craft Fair in mid-November featured 50 incredible crafters with items from beautiful handmade ornaments to wooden toys and beaded jewelry to delicious olive oils. For the last fundraiser of the year, Lori Kilbreth, Sue Veilleux and a group of amazing bakers baked pies for Thanksgiving and the proceeds were split between our Playground Fund and the PTA/Emily Buchanan's Playground Fund for the playground at the school. Thank you to N'ware Technologies for their donation to defray expenses so more money could go to the playgrounds in town.

The Nottingham Theatre Project started 2014 with auditions in January for the spring production of Finian's Rainbow Jr. in April. Drama Camp in August featured Shakespeare's Midsummer Dream. Auditions were held in mid-July for a second large production, Sleepy Hollow which was presented for two weekends for 5 performances in the beginning of November. This marked the first time the Old Town Hall was used as a theatre performance space in many years. The Theatre Project's connection with Not Too Sharp continued this fall with a benefit the Theatre Project. They are quoted in NH Magazine as saying the church is their favorite place to perform. See the Theatre Project report for more about their year.

Thank you to everyone who supports the Recreation Department and recognizes the value in providing our residents with programming to keep the community healthy and happy...a place you really want to call your hometown. Keep active and come join us in 2015!

Respectfully Submitted,

Janut toburt

Janet C. Horvath, Recreation Director

# Nottingham Theatre Project

In April, Finian's Rainbow (Jr.) came to life on stage as the Nottingham Theatre Project presented the play in town. We were delighted to once again have the incredible Jeff Caron as our director and Suzanne Jalbert as pianist. As usual the actors worked hard to deliver a quality performance, despite a crazy rehearsal period which marked by many snowstorms! Their talents and enthusiasm were obvious as they wound their way

through the story of Finian McLonergan and elderly Irishman and his daughter Sharon. No musical story is complete without romance and intrigue and Finian's Rainbow provided it all.

The Theatre Project hosted Children's Stage Adventures for Drama Camp in August. The show this year was Shakespeare's Midsummer Dream. 33 children participated in the whirlwind week that starts with auditions on Monday, rehearsals during the next few days and 2 full scale productions on Friday. It is a great vehicle for younger children to be introduced to the theatre.

In late October/early November, the old town hall was the perfect setting for the seasonal treat "Sleepy Hollow" Once again we were fortunate to have Jeff Caron as our director AND set designer, lighting and sound technician... you get the idea! As usual, we could not continue to offer this theater experience to young people without the dedicated support of Janet Horvath from the Nottingham Recreation Dept., Chris Aham, parent volunteer coordinator (among many other roles!) and the numerous parents who have

stepped up to help us build and paint sets, sell tickets, and provide costume materials.

Many thanks go to Ed Myers who graciously photographs the cast for each show. We're also grateful for the financial support of the many businesses that donated gift certificates and bought advertising. We rely on the support of the community businesses and community members who attend the performances to keep us afloat. Although there are always glitches as we move from planning stage to rehearsals to opening night, in the end, the professionalism and joy of our young actors makes it all worthwhile. It may take a village to raise a child but it also takes a village to put on a Broadway show!

We had our annual fundraising benefit concert with Not Too Sharp at the Nottingham Community Church on in November. Not Too Sharp is the premier male a cappella group at UNH and this group of young vocalists have been doing this benefit for us for six years now! As usual, they were amazing and we thank them for their support.

We have a great musical theatre production in the works for the fall of 2015. We will keep everyone updated as we solidify our plans. We are always looking for new ideas for fundraising so please contact the recreation department or email <u>susan.siggelakis@unh.edu</u> if you can help.

Sincerely,

Sur-J. Sugelalis

Susan Siggelakis, Producer

# Blaisdell Memorial Library

To call 2014 an eventful year for Blaisdell Memorial Library would be quite an understatement! Foremost, Blaisdell Memorial Library Director Rhoda Capron retired at the end of August after 28 years of faithful public service to the Town of Nottingham. On August 31, Patrons, Staff, Trustees, Friends of the Library, and Librarians from across NH attended the dedication of the Rhoda Capron Garden and bid her a fond farewell. Rhoda Capron's legacy is evident everywhere at the library, and she will certainly be missed by all with whom she worked and for whom she served.

2014 also saw Assistant Librarian Pat Vachon attain her  $25^{\text{th}}$  year of service at the Blaisdell Memorial Library, a milestone which was reached in September.

Arriving at the library in 2014 were the new Children's Librarian, Amy Covell, and new Director, Eric Stern. Amy's arrival early in 2014 has allowed the library to expand upon programming for children in ways not before possible. For instance, in addition to the story hours which have traditionally been run by Ms. Robin in the mornings for babies, 2-3 year olds, and 4-6 year olds, Ms. Amy has added an afternoon story hour for 4-6 year olds. Ms. Amy has also added PJ story hours, Lego Sundays, craft days, and special programs for

children throughout the year. 167 children's programs were offered by the library in 2014, with an attendance of 1,794, the latter number almost certainly record attendance for the library.

In 2014, the library circulated 30,845 tangible materials for adults and children, including books, audiobooks, DVDs and magazines. Through the New Hampshire Downloadable Books program (of which every public library in New Hampshire is a part) the library circulated 3,916 downloadable e-books and audiobooks. The library's collection grew to a total of 19,332 tangible items, which is the sum total of 1,263 books and other materials added by gift, purchase or otherwise, as well as the withdrawal of 462; the majority of which were items unreturned to the library and marked as lost. At the close of 2014, the library had a total of 2,337 patrons.

As is evident by the number of e-books and audiobooks downloaded by library patrons in 2014, technology is playing an ever increasing role in the library. The library now offers 4 stationary public access PCs for adults and children, in addition to a laptop PC which is "un-tethered" and can be used wirelessly throughout the building. Usage of the library's wireless network has continually increased, as patrons can now access the library catalog and the internet-at-large through their mobile devices practically anywhere on the premises. The library continues to provide access to online databases including Mango Languages, Ancestry Library Edition (in-library use only), EBSCO, and Consumer Reports Online.

In the face of technology's relentless march, one might think that patrons get everything they need from the library remotely. Not so at all. The physical library building continues to serve the community as a gathering place for residents of all ages. There were 225 library-sponsored programs held in 2014 for children and adults. 19 different community groups utilized the

library meeting room. Between library-sponsored programs and outside groups, the meeting room saw 2,788 patrons pass through its doors this past year. In the month of December alone, 2,140 patrons visited the library.

Without the support of dedicated volunteers, among them the Friends of the Library, it would be impossible for the Blaisdell Memorial Libary to offer as much as it presently does to its patrons. The Friends hold two used book sales each year – one in the spring, and one in the fall – to raise money for library programs, supplies, and museum passes. Passes are currently offered to 8 different area museums, including but not limited to the Seacoast Science Center, Strawbery Banke, and the Boston Museum of Science.

As was the case under the leadership of Rhoda Capron, the Blaisdell Memorial Library will continue to evolve to serve its patrons' needs and expectations. The library will do its utmost to use taxpayer funds in furtherance of the educational and cultural needs of the community, to provide the best possible value to Nottingham citizens, and superior service to its diverse patronage.

### Landscape Committee

This year the Landscape Committee completed three major projects, the most significant of which was the installation of the new RHODA CAPRON COMMEMORATIVE GARDEN at the front of the building. Thanks to the immense generosity of the many individuals who made personal donations and/or supported our fund-raising efforts, library patrons now have a lovely outdoor sitting space and the town has a permanent reminder of the contributions made by one of its most dedicated citizens. The second important project undertaken this year was the extensive pruning and revitalization work that needed to be done to trees, shrubs, and native perennials in the existing landscaped areas. The third project was the completion of the next two phases of a treatment and eradication program to cope with the invasive plant species and poison ivy that have a continued presence in the wooded and border areas of the library property.

The Landscape Committee has two primary goals for 2015. First and foremost, will be the creation of a new garden to surround the War Memorial at the front of the property. In addition to cleaning the monument and removing shrubbery so that every name on the monument is visible for all to see, we aim to raise enough funds to install new plants, a second granite bench,

and new lighting that will highlight the monument and flag. Our other major goal in the coming year is an educational one: to install informational signage about the native species and integrated principles at work on the library grounds so that everyone, both young and not so young, can continue to learn about the natural resources present in our community. We invite you to lend your support to these efforts by making personal donations to the BML Landscape Fund, participating in our fundraisers — beginning in March with our annual seed sales and vegetable plant orders, — and volunteering your time for projects as these arise.

Anyone interested in learning more about the library should always feel free to visit or call us (679-8484) during operating hours, email us at <u>blaisdellml@comcast.net</u>, or peruse our website at <u>www.nottinghamlibrary.org</u>.

Sincerely,

ST IA\_\_\_\_

Eric Stern, Director Blaisdell Memorial Library

# Historical Society

The members of the Nottingham Historical Society have been working to preserve the town's history and make it more accessible. We would like to thank all those who support the society by visiting the museum, participating in our events, volunteering, and making monetary and artifact donations. The seemingly renewed interest in our town's history, maybe due to our upcoming 300<sup>th</sup> Anniversary in 2022, has been exciting.

Over the last two years, the NH Conservation License Plate Program awarded the town \$16,000 in grants to conserve, microfilm, and digitize nine of Seth Dame's diaries, dated 1881 to 1936. Seth Dame was a lifelong resident of Nottingham, operating a printing press out of his home on Lucas Pond Road. He was a town selectman; a columnist for the Exeter Newsletter for 50 years, keeping readers informed of the happenings in West Nottingham; and in his diaries he made note of world, national, and local events, including births, marriages and deaths that occurred in town. The

grants we received restored the diaries and provided us with a digitized copy of them, making them more accessible for reading and research. Digitized copies of the diaries can be viewed at the Blaisdell Memorial Library and the diaries themselves can be seen at the Van Dame Museum. Thanks to the efforts of Leanne Gast, we received these two grants to further our goals.

Along with having the Seth Dame diaries restored and preserved, other work has been done inhouse. Leanne has been scanning more important old town papers so digital copies will exist. Joan LeBlanc has been collecting and organizing information on the Pawtuckaway Lake area of town. Pat Desrosiers organized a large number of loose photos that the Society had received over the years. June Chase continues to help find answers to the many requests for information the society receives. Rhoda Capron has been organizing a variety of historical programs.

Items generously donated to the museum this year include a school desk and other school related items; artwork by Fred Foss; Gooch family letters and photos; a Morse code transmitter; Nottingham newspaper clippings; a vintage farming tool and gardening books; and diaries belonging to Charlotte Blaisdell, Carolyn Stevens, and Elizabeth Bachelder. The third grade classes from Nottingham Elementary School visited several of the Historical Society's museums as part of their study of their community. Dianne Wright led the tour of the Van Dame School, Barb Patton showed students the upstairs classroom at the Nottingham Square Schoolhouse and Katherine Fernald and Joan LeBlanc told stories relating to families and incidents on Nottingham Square.

the year.

The weather cooperated beautifully for the annual Blueberry Pancake Breakfast held the second Sunday in August. Over 230 people enjoyed the chance to visit with neighbors, tour the Schoolhouse Museum and listen to the music of Dwight Phetteplace as well as eat pancakes. Many people and local businesses volunteer their time and services to help to make this day a great success. This year we raised over \$1,300 that will go toward supplies for the museum and historical programs throughout

As well as the Blueberry Pancake Breakfast on August 9th, the Historical Society has more programs planned for 2015. Look for our Antique Appraisal Day on March 22nd, a World War II Remembrance Day on May 16th and more. If you are interested in being involved with the Society, please contact Leanne Gast at 942-5627.

Museum Curator – June Chase

# **Cemetery Trustees**

Over twenty-four calls were received at the Bascom house during 2014 for cemetery issues ranging from lot purchase requests to lot verification for burials and stone placements.

As in the past a regular sized lot (13'4" X 10') will hold 4 caskets or 8 urns and is \$800, a ½ lot (6'8" X 10') holds 2 caskets or 4 urns and is \$400. Caskets must be buried 8ft, but there currently is no requirement on depth for an urn.

The mapping project completed by Landry Surveying LLC is still in need of a few final touches for the South Side site and then it will be complete.

Plans to extend the usable space at South Side have been discussed with the new town administrator and have begun with clearing some of the overgrowth. If you'd like to see what the changes will look like let us know!

The requested road grading and repairs for all three cemeteries were not completed as hoped for in 2014 but has also begun. Both New and Old North should see clearer roadways this coming year. South Side will take longer due to the expansion project.

There were no complaints called into us or the town offices related to the lawn care management this past year and we greatly appreciate the landscaping crew's efforts at caring for our cemeteries.

That's it! If you have any questions related to anything above please contact us.

Respectfully submitted,

Michael Bascom

### During 2014, the Town rebuilt 360 feet of road on Lincoln Drive and 2100 feet on Berry Road. The Overlay Program was continued and we worked on the general maintenance of gravel and

Highway Department

tar roads.

In 2014, the following roads were graveled, had brush and trees cut, or other improvements to paved roads were completed:

### **Graveled Roads:**

- 1. Stevens Hill Road 2000 feet/3 sections
- 2. Ledge Farm Road 500 feet near True's Hill
- 3. Mitchell Road 1500 feet

# Overlaid Roads:

- 1. Mountain Road 2500 feet
- Church Street 800 feet
- 3. Halls Way -2000 feet
- 4. Garrison Drive 3800 feet
- 5. Priest Road 6000 feet
- 6. Merry Hill Road 1800 feet
- 7. Tremblay Drive 1000 feet
- 8. Hall Road 800 feet
- 9. Steppingstone Road 1800 feet

### Brush and Tree Clearing:

**Culvert Installation:** 

None

- 1. Ledge Farm Road
- 2. Berry Road

### **Roadside Mowing**

The Highway Department mowed tar roads.

The Highway Department would like to thank Chris Sterndale and his office staff for their help this year. I would like to express my thanks to the Nottingham Highway Crew, other town departments, town officials and towns people that helped make 2014 a successful year.

The Road Agent is looking forward to Spring!

Respectfully submitted,

ohn Feinaldy

John T. Fernald Jr. Road Agent

# Fire Department

The 2014 Annual Report of the Nottingham Fire Rescue is dedicated to the memory of Emergency Medical Technician (EMT) Diane I. Nugent, 37-M412. Diane tragically lost her life in a carbon monoxide incident at her home on Thanksgiving morning, 27 November 2014. Diane served as Nottingham Fire Rescue Association Vice –President. Diane was in the process of completing her testing to progress to the Advanced EMT level (AEMT) level. EMT Nugent was selected as our 2013 "EMT of the Year". We miss Diane's humor, dedication, companionship and extraordinary attention to detail. It was a pleasure to have known and served with you.

Nottingham Fire Rescue is fully staffed with three career members. Firefighter/EMT Intermediate James Calderone joined us in April. Firefighter/EMT Christopher D'Eon joined us in June. Firefighter /EMT Zachary Gagnon joined us in November. Stop by and say hello to these dedicated men during normal business hours 6:00 AM to 6:00 PM Monday through Thursday or 8:00 AM to 6:00 PM Friday through Sunday. We are fortunate to have such a talented career company.

We typically hold a Department meeting on the first non-holiday Sunday evening of each month at 7:00 PM. We spend a great deal of time training, responding to calls, and the many other community service activities. Nottingham is lucky to have a cadre of dedicated, self-less individuals who continually sacrifice to serve as "call" Firefighters and EMTs. If you are looking for a new challenge and are interested in helping neighbors in time of need come see us about joining!

Joye J. Walahart

Jaye J Vilchock Chief

Matthew Curry Deputy Chief

For the Membership of the Nottingham Fire Rescue Department

# **Report of Forest Fire Warden and State Forest Ranger**

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing <u>ANY</u> outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or <u>www.des.state.nh.us</u> for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at <u>www.nhdfl.org</u>.

This past fire season started in early April with the first reported fire on April 7th. April, which is the traditional start to our spring fire season, began very dry with unseasonably dry conditions continuing through the entire month. This dry pattern continued through the first half of May. 80% of our reported fires this season occurred during this six week period. The largest fire was 24 acres, occurring in the town of Tamworth. From mid May through early September, above average rainfall kept our total acreage burned statewide at 72 acres. This is the smallest amount of acreage burned statewide in several years. Late August through late September though brought a dry trend to northern areas, resulting in several deep-burning remote fires. Our fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2014 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

# CAN PREVENT WILDLAND FIRE

# Police Department

2014 went by quickly, but failed to do so quietly. We have continued to step up our training in an effort to meet the demands of our community, but it is generally reactive due to the nature of the issues and limited assets, -we are seemingly always a step behind.

In early May, Officer Michael Drake returned from Maricopa County, Arizona, having been certified as a Drug Recognition Expert. It was a long process due to manpower issues, but it

translated into a number of drug related arrests almost immediately. Other training such as Suicide Prevention, dealing with Mental Health issues, on-going training in Domestic Violence Cases, Leadership courses for supervisors, and tactical training are just a small sample of training undertaken this past year. We will continue in our attempt to raise the level of professionalism for our department.

In May, Officer Steve Arkell of the Brentwood Police Department was shot in ambush as he responded to a reported verbal Domestic. It was heartbreaking to watch as the home exploded and burned before we were able to get him out. As I drove away from the scene late that night, I reflected, not only on his tragic sacrifice, but the lifelong sacrifice of his wife and children. Later, as we drove in the procession to bring Steve home from Concord, I was touched by the number of civilians that lined the highway to salute him as he made the slow journey to Exeter in the company of a large contingent of his brothers and sisters. It is a reminder that nothing is routine, that things are not always as they seem. RIP Steve, we'll take it from here.

In August, Officer Tony McKnight resigned from his position here to join the Somersworth Police Department. We wish Tony the very best and thank him for his dedication to our community. A hiring process was conducted and three outstanding candidates emerged. After much deliberation, Jonathan Sardinha was selected as the candidate. Jon recently discharged from the United States Coast Guard with a strong background in Maritime Law Enforcement and is originally from Strafford, NH. As of this writing, Jon is enjoying the day-to-day experience in the 166<sup>th</sup> NH. Police Academy.

In November, a large contingent from the Nottingham Public Safety Services attended the 2<sup>nd</sup> annual Michael Maloney "Night of Heroes" at the Ashworth hotel in Hampton to honor our many brothers and sisters for their achievements and acts of heroism. Captain Heidi Carlson received a Career Achievement award for her two decades of selfless service to the Nottingham Fire/Rescue Dept. and a number of police officers and fire personnel were honored for their selfless acts to preserve life and property, it was a moving presentation.

On November 27<sup>th</sup>, Thanksgiving Day, we were visited by tragedy. EMT Diane Nugent, a very popular and active member of the Nottingham Fire and Rescue Department passed away,

despite heroic efforts by responding police officer Brian Spagna and EMT Sandra Vilchock, who placed themselves in harm's way in a desperate attempt to save her. We are grateful for their act of bravery and we will miss Diane immensely.

Since my last report, long time Town Office stalwarts Charles Brown and Marge Carlson have moved on to what has been reported as very busy retirements. We here at the Nottingham Police Department extend our deep appreciation for their long service, not only to us, but to the community.

I extend my thanks to Town Administrator Chris Sterndale and his staff for their continuing assistance throughout the year, John Fernald and his department for their tireless and seemingly endless work, and Chief Jaye Vilchock and the Nottingham Fire/Rescue Department and all that they do day in and day out, thank you all.

I am not unaware of the problems nationwide regarding various police departments and their relationship with members of their communities. It is troubling and disheartening to me, but I take pride in the frequent praise received by various members of our community for the day-to-day performance of this department. Thank you for that praise and support, it is greatly appreciated by all here.

Here's hoping for an early spring and a long, peaceful summer in 2015.

Chun

Gunnar Foss Chief of Police

# D.A.R.E

The D.A.R.E. Program graduated over 100 students from the 5th and 7<sup>th</sup> grades in 2014. The 5<sup>th</sup> grade graduation ceremony was held in April, and 5th grader Molly Ewing was recognized and awarded Daren the lion at the graduation ceremony. Daren is the mascot of the D.A.R.E. program. Each year Daren is presented to a student who best exemplifies the spirit of the D.A.R.E. program. Awesome job Molly!

The 7<sup>th</sup> grade celebrated their session by having a pizza party. They were also entertained, yet again, by a K-9 demonstration conducted by Lieutenant George Joy of the Barrington Police Department and Officer Chris Johnson of the Alton Police Department. As always, the demonstration was a huge success and was well received by the students and teachers.

In April we participated once again in the Nation's 8<sup>th</sup> National Drug Take Back event. During this time people were encouraged to drop off their unused or expired medications to the Nottingham Police Department. This event was another huge success and we were able to properly dispose of over 20 pounds of unused or expired medications.

Special thanks to Chief Foss and Town Selectman Mary Bonser who were guest speakers during the 5<sup>th</sup> grade graduation ceremony. I would also like to thank Kay Kyle who donated a piece of

her craftwork to be raffled at the 5<sup>th</sup> grade D.A.R.E. graduation. The beautiful hand painted Treasure Box helped benefit the D.A.R.E. program tremendously. Thank you Kay for your continued support of the D.A.R.E. program.

2014 D.A.R.E Raffle

The Drug Abuse Resistance Education Program is a community-based program and consists of 10 weeks of lessons taught in both the 5<sup>th</sup> and 7<sup>th</sup> grades. The Keepin' it Real curriculum's overall emphasis is on making healthy decisions and avoiding the pressures and dangers associated with drug use. The D.A.R.E. program would not be possible without the continued support of the community, and we thank all of the residents who continue to show their support for the program.

Respectfully submitted,

Corporal Fawn M. Woodman

7<sup>th</sup> Grade K-9 Demonstration with Lieutenant Joy from Barrington PD & Officer Johnson from Alton PD

D.A.R.E Booth at Nottingham Day September 2014

# Building Department

The Building Department saw a large increase in the number of permits issued. In 2013 there were a total of 143 total permits written and in 2014, 280 total permits. There was an increase in the number of new dwellings and revenue generated by permit fees. The department continues to work closely with the Planning/Zoning Office. The Building Inspector continues to obtain further training in all aspects of building/fire safety and Land Use as to stay current with the changing codes and new technologies that are being proposed in the building industry. I would like to thank all the Town Departments for their assistance with a special thank you to the Selectmen's Office for all the assistance to make the department run smooth. It appears that 2015 will be a busy year with two major subdivisions still being built.

2014 BUILDING PERMITS					
PERMIT TYPE	#	PERMIT TYPE	#		
Single-Family Dwellings	27	Additions	11		
Electrical	49	Renovations/Repairs	12		
Sheds/Barns	7	Decks	6		
Garages	14	Porches	5		
Plumbing	30	Mechanical	75		
Demolition	4	Renewals	3		
Pools	3	Septic	34		

Please contact the Building Inspector with any questions or suggestions that you may have. I am always looking for new ideas to serve the citizens of Nottingham.

**Respectfully Submitted** 

Paul W. Colby

Paul W. Colby Building Inspector

# Planning Board

The Nottingham Planning Board has had another busy year. A total of eleven (11) applications were submitted and processed through the Planning Office. Of these applications, three (3) were for subdivisions, five (5) were for lot line adjustments, two (2) were for site plan approval, one (1) subdivision design review. This activity resulted in the Planning Board approval of all applications submitted with the exception of one (1) subdivision design review which was withdrawn. Thus in 2014, eight (8) new lots were created.

The Board continued to review the Town's Zoning Ordinance. Three (3) changes were explored in detail with one (1) selected for a warrant article for the 2015 Town Meeting ballot. This proposed change will reduce setbacks in lots of two acres or greater from the side and rear property lines for accessory buildings. The new setback will be no less than 20 feet from property lines. This change came about after a joint meeting between the Nottingham Planning Board and the Zoning Board of Adjustment, when they reviewed past case history. In 2015 the Board will continue to review Planning Board ordinances and regulations. The focus will be on updating both the Subdivision and Site Plan Regulations.

The Board is pleased to report its meetings can be viewed on local Channel 22. Meetings are held on the second and fourth Wednesday of the month at 7:00 p.m., in Conference Room One, at the Town Municipal Office Complex.

The Planning Board has openings for Alternate members. If you are interested please contact the Land Use Clerk during her regular business hours or e-mail her at: <u>plan.zone@nottingham-NH.gov</u>

One member of the Board, Troy Osgood, submitted his resignation due to a change in residence to another town. The Board accepted his resignation with regret and thanked him for his contributions during his term.

Respectfully submitted,

Alt. Robert (Buzz) Davies

# Zoning Board

\*\*

The Zoning Board of Adjustment's caseload for 2014 was higher this year than in recent years. They heard a total of eight (8) cases. Of these cases six (6) were for Variances- all of which were approved and two (2) were for Administrative Appeals- one of which was dropped and the other was denied.

The Board members remain active in many other town committees as well; attending legal trainings and lectures, Town's representative to the Lamprey River Advisory Committee, Active State Representative, School Moderator and Town Moderator.

The Zoning Board always welcomes residents to attend all their meetings. The Board meets as needed on Tuesdays at 7:00pm, in Conference Room 1, at the Town Municipal Office. If you have any questions or need assistance please contact the Office at (603) 679-9597 ext.1.

# Strafford Regional Planning Commission 2014 Summary

Strafford Regional Planning Commission (SRPC) has been active in regional planning for over 40 years as one of nine regional planning commissions established by the New Hampshire Legislature. SRPC strives to create strong community connections to accurately reflect municipal priorities and values. SRPC's planning staff use collaborative processes with our eighteen municipalities and partner agencies contributing to the successful development of plans and projects that preserve and enhance the quality of life in the region.

SRPC ensures the region is responsive to the needs of its residents and municipalities. This process is guided, not only by staff knowledge, but with able assistance from Commissioners, appointed volunteers who provide support and guidance to the overall organization. With this range of expertise and advice, SRPC is able to provide effective planning and facilitation services in transportation, broadband, master plans, demographics, economic development, land use, housing, natural resources, water resources, data collection and analysis, mapping and GIS, hazard mitigation, and climate change adaptation.

# 2014 Specific Accomplishments in Nottingham:

- Updated Master Plan maps under Town contract
- Updated map sets: crash data, conservation, water resources, transportation, community features, aerial and land use
- Conducted ten traffic counts and thirty-seven culvert assessments to support local planning efforts
- Distributed *New Hampshire Planning and Land Use Regulation* books to local land use boards

# Conservation Commission

The Nottingham Conservation Commission (NCC) dedicates this annual report to NCC member Noel Carlson who lost his battle with cancer in January 2015.

The Nottingham Board of Selectmen (BOS) appointed Kristen Lamb to a regular seat on the NCC. She had previously served as an alternate

member. The Nottingham BOS appointed Terry Bonser and Johan Kerkhove to one year terms as alternate members of the NCC with the recommendation of the NCC.

The NCC followed up on possible wetlands violations that were reported to the NCC and reviewed wetlands applications that were submitted to the NCC.

The NCC approved the expenditure of \$250,000 from the Conservation Fund (CF) to help purchase a conservation easement on the 95 acre Fernald (Helen and Frederick) property on Deerfield Road. This property abuts Pawtuckaway State Park and has extensive frontage on Pawtuckaway Lake and Deerfield Road. The easement will insure that no homes (with septic systems) will be built on that property and thus not add any environmental problems on the lake. The easement will be held by the Society for the Protection of NH Forests (SPNHF) which also holds the easement on the Mulligan Forest property. The Town of Nottingham will hold the executory interest in the easement.

Members of the NCC participated in the DES Voluntary River Assessment Program (VRAP) testing water every two weeks in June, July, August and September in 2014 at two locations in Nottingham on the North River and one site on the Little River in Nottingham. Test results were submitted to the NH DES in Concord which will issue a report on their findings in 2015. The NCC plans to continue testing in the summer of 2015.

NCC members participated in the NH DOT Adopt a Highway Program by conducting four clean ups in 2014 on one mile of Stage Road (NH 152) from Raymond Road north to Gile Road and one mile of Raymond Road (NH 156) from Stage Road south to Nottingham Square. We plan to do four more clean ups in 2015.

In November NCC members and one volunteer participated in the required annual monitoring of the Friend and Terninko conservation easements, the Kimball Family Forest conservation easements, the Mendum's East and West conservation easements and the properties in the Highlands Development off Old Turnpike Road (US 4) that have conservation restrictions.

The NCC met with two employees of the SouthEast Land Trust of NH (SELT) who requested the involvement of the Town of Nottingham for two possible easements in Nottingham. One of these is the Harvey property, four parcels in Nottingham that abut other Harvey property in Epping which abut the Friend easement in Nottingham. SELT is proceeding with conservation easements on the Epping Harvey properties with help from the Epping Conservation Commission and an article on the Epping 2015 Town Warrant.

One member of the NCC serves on the boards of Bear-Paw regional Greenways (BPRG) and the Lamprey River Watershed Association and also serves on two BPRG committees. The NCC pays

dues to both organizations for their help in projects. Another member is also on the Nottingham Planning Board (PB) and serves as Secretary to both the BP and NCC. The NCC feels that this helps communication between both entities.

One NCC member attended the annual meeting of the NH Association of Conservation Commissions (NHACC) in November and attended four of the many workshops presented.

The NCC invites interested residents to attend the monthly meetings on the second Monday of each month unless a federal holiday in Conference Room 2 at the Town Office Building. Alternate member positions are available, terms are usually three years. Alternates may participate in all discussions and will be seated as voting members in the absence of regular members on a one to one basis. Additionally there are positions for up to three people on the Lamprey River Advisory Committee, a state appointed board that reviews projects and wetland applications within the Lamprey River watershed. The Lamprey River and some of its tributaries including the North and Little Rivers in Nottingham have been designated by the state as protected rivers.

# Food Pantry

The Nottingham Food Pantry has completed its Twenty Third year of serving the community! The need for services in the community continues. In 2014 we served 332 households, providing 9,189 meals. This is up from last year.

Distributions are once a month with emergency services when needed and consist of over a three-day supply of food as well as personal hygiene products and cleaning supplies when available. We also provide complete dinner baskets for Easter, Thanksgiving and Christmas. The other services we offer are the Wish Upon A Star program for children and elderly and Teen Baskets for Christmas. The families served still change from month to month. The only requirement is that you live in Nottingham.

Our food comes through private donations, USDA surplus, and food drives by the Nottingham Elementary School and Dover High School Student Council, Boy Scouts, Girl Scouts, and our Rural Carriers. We still receive frozen food from USDA surplus and the Northwood Hannaford which helps to give our clients a variety of nice fresh meats. We went back into an agreement with the Manchester Food Bank July of this year due to Hannaford coming under the Food bank for donating food. So even though we don't need to use the food bank due to the generous donations we receive from our towns people we meet the requirements needed by them by going to Hannaford once a week.

The Nottingham School Staff, All Aboard Preschool and Childcare Center, Liar's Paradise through sponsoring their Cruise Nights, the Boy Scouts, Girl Scouts and members of our community helped provide Thanksgiving and Christmas Dinner baskets again this year. The Auxiliary to the Fire and Rescue Department did a lovely job as always making breads to add to our baskets.

Each year it seems people come up with unique ways of looking to help us. This year was another very exciting time. The Auxiliary to the Fire and Rescue Department provided a lunch at town meeting and the proceeds went to the purchase of Carbon monoxide detectors and

smoke detectors for those clients who did not have one in their home. This year we gave out 15 carbon monoxide and 2 smoke detectors. We had a group of young girls calling themselves "The Lemonade Club" they set up a table at the recycling center one day and sold lemonade donating what they earned to the food pantry. We had a woman approach Janet Horvath and I wanting to help organize a Vendor Fair to help the Recreation Department and the

Food pantry. This took place in March and we had 19 vendors, most from town.

We had donations of starter tomato and pepper plants from a family farm in town for families to be encouraged to plant on their own. We had a little boy baking items to give out each month and a young lady who for her birthday wanted instead of presents donations made to the food pantry. We also had the girl scouts donate some of their cookies to give to each family.

Two young ladies from Girl Scout troop 11069 again wanted to take on providing Easter Baskets filled with all sort of goodies for the children. They again put a lot of hard work into making these baskets a special treat for each child.

A woman who helps with the Nottingham Farmers Market again this year encouraged town's people and venders from the market to donate produce from their gardens to make a Mandela. What a beautiful piece of art of a different design from last year made out of love from others giving of their harvest to help others.

The Nottingham Recreation Department again sponsored a Penny Carnival for the children not only coming to the summer program but to all children in town wanting to come. The children were to

come with pennies to play different games set up in front of the Recreational department. Tickets were given out to the children for the games played and then they could take those tickets and redeem them for prizes. The children had a blast that day! All the pennies were donated to the pantry.

Again this year we had John Knorr owner of What a Crock donate wonderful unique soups, a Bible Study group collected food again and the 68 Hours of Hunger donate food items that could not be used in the bags they give out.

The wrapping paper, bows and greeting card drive is still ongoing thanks to Lisa Kennard. The Nottingham Food Pantry Club run by Karen Davidson again this year collected specific food items each month through her email list. The Friends of the Library donated 35 books to the children to encourage reading over the summer! We were able to offer again vouchers to our clients to purchase fresh produce from our Farmer's Market in town.

We also have a woman who is still making handmade hats for those needing them in the winter, and we have three women who each month purchase fresh carrots, bananas and dog food. The outpour of help is just incredible in this town!

This year was again another very incredible year for donations. This helped greatly to keep the pantry running. Again this year we have a couple of people who work for different companies that have matched dollar for dollar their contributions.

We have also been able to keep the ongoing purchases of fresh fruits and eggs each month to give to our clients through the monetary donations coming in.

The board again decided to take a set amount of money to add to our Oil account. This was and will still be a huge help in the coming year as this has been a very cold winter again. We were also able to help a couple of families who heat with propane and electric.

For the year 2014 we were able to help 7 families!

Again we would like to thank the Lee Market Basket, their Grocery Manager Kevin Carson and the employees there that help us each time we have an order to place. Their kindness and service to us is very much appreciated.

We also would like to thank Hannaford's of Northwood for the donations we receive from them each Thursday and to those who give of their time to go and pick it up.

We again this year took advantage of a grant from Wal-Mart Distribution of Raymond using the money toward an ongoing outreach for the community in the spring.

The Nottingham Community Church held their Benefit Concert again this year with the proceeds going to the food pantry. As always the night is filled with great entertainment and

laughter with someone new joining and sharing their talent with the community. I encourage you to come and see the wonderful talent we have here in Nottingham!

The Wish Upon A Star Program served 35 children and 21 elderly this Christmas Season. Christmas Trees are located at the two Post Offices in town and one in the teacher's room at the Elementary School and are usually put up by Thanksgiving weekend.

We also were able to provide 6 Christmas trees to families with children this year. These trees we purchase from our Fire Department as a way of supporting our community.

All Aboard Preschool and Childcare Center participated again this year by taking one of the families to buy gifts for and the Auxiliary to the Fire and Rescue Department took one family again this year too.

We were also able to continue with the Teen Basket program this year. Through the PTA donating the proceeds from the Craft Fair and outside donations they were able to fill 30 baskets! A special Thank You to Melissa St. Jean and her helpers for all their hard work in putting this together. These baskets get filled with gift cards that the teens can use over their school vacation plus other goodies. This I have to say again is a true blessing and highly appreciated by the parents. And again something we would not have been able to provide without the help of people willing to give of their time and monetary contributions.

Dedicated volunteers run the Food Pantry. We have general meetings twice a year at the library or the Food pantry. Please feel free to attend and find out more about us. All meeting dates are posted in town and on Nottingham channel 22.

We'd like the townspeople to know we are located in the Town Municipal Building our P.O.Box is 209 and we have our own 501(c) (3).

### We have no other affiliation with any other Food Pantries.

Officers of 2014

Again we thank YOU the townspeople and organizations for the support we received from you again this year. Your very generous monetary donations, time and food keep the pantry running.

Each year I like to end this report by giving a very special Thank You to the women in the Town Selectman's Office. We have had some changes in people but what has not changed is the help they give me. I appreciate all that you do to help!

# In closing this year I would like to acknowledge Philip "Archie" Fernald for his years of being on the board of trustees. He is truly missed!

# If you need help or know someone who does please call Chelli Tennis at 679-5209. All calls are Confidential.

Respectfully submitted, Chelli Tennis

Seacoast Family Promise	\$100.00

Rockingham Community Action – As a non-profit, multi-service agency, Rockingham Community Action's wide range of services meet the most essential needs of our county's residents living at or below the poverty level. RCA's mission and scope is multi-purpose: to support low-income individuals and families with direct services, prevent more families from falling into poverty and/or homelessness, and assist at-risk families in finding long-term solutions to their economic needs.

Offered Programs: Budget Coaching, Tax Assistance, Crisis Services, Food Pantry, Chile and Adult Care Food Programs, Child Care Resources/Referral, Fix-It Program, Fuel Assistance Programs, Literacy Services, Weatherization, Women Infant and Children and Commodity Surplus Food Programs, and Workforce Development Programs.

Lamprey Health Care – A nonprofit community health care organization providing primary care and preventive health services to individuals of all ages and incomes, regardless of their ability to pay.

# **2013 Services Provided**

400 Nottingham residents made 1326 visits to Lamprey Health Care, 94 received \$1242.00 of free or reduced fee medical care. Nottingham residents received assistance accessing \$20,791.00 in free prescription medication. Lamprey Senior Transportation provided 48 rides to Nottingham residents.

The senior transportation program provides seniors and other individuals access to essential services, such as medical appointments with primary care physicians and specialists, grocery stores, pharmacies and other necessary errands.

Richie McFarland Children's Center – helping young children reach their full developmental potential and to support their families through that process. Providing developmental and therapeutic services for children, support and education to their families and guidance in accessing community and health resources.

### FY 2013 - 2014 Services Provided

Support services are 5% of the annual cost for weekly home-based therapies for each family and a total of 9 Nottingham children/families were served.

Cornerstone VNA (formally Rochester District Visiting Nurse Association) - a nonprofit home, health and hospice agency serving Strafford, Belknap, Carroll and Rockingham Counties in New Hampshire and York County in Maine. The team at the VNA uses the latest technology to provide the most highly skilled nursing, rehabilitative therapies, social work, and support services in their service area to promote the optimum level of well being, independence and dignity of those living in the community by providing trusted, compassionate and expert health care. Providing skilled nursing, physical, occupational and speech therapies, social work, and volunteer & support services through four distinct programs: Home Care, Hospice Care, Life Care and Community Care

Sexual Assault Support Services - Sexual Assault Support Services (SASS) is dedicated to the prevention of child sexual abuse, sexual assault and stalking, while supporting victims, survivors and others impacted by sexual violence.

**Services Offered By SASS**: A confidential 24-hour sexual assault crisis hotline; 24-hour advocacy and support at police stations, hospital emergency rooms, child advocacy centers and the courts; Support groups for rape survivors, sexual abuse survivors, parents, and others affected by sexual violence; Professional training and consultation to police departments, hospitals, schools and others in the community; Sexual abuse and sexual assault prevention education in the schools for children, teens and parents; Sexual harassment prevention workshops for teachers and children in schools, and managers and employees in the workplace

A Safe Place - The mission of A Safe Place is to break the cycle of abuse by providing crisis intervention, support services, education and advocacy to survivors, their families and the community. We do this through the many different free and confidential services we offer including: Safety Planning; 24 Hour Hotline; Shelter; Court and Social Service Advocacy; Support Groups; Education; Outreach Resources. A Safe Place provides services to survivors of domestic abuse and stalking, regardless of gender, age, health status (including HIV-positive) physical, mental or emotional ability, sexual orientation, gender identity/expression, socioeconomic status, race, national origin, immigration status, religious and political affiliation.

# July 1, 2013 to June 30, 2014 Services Provided

9 people from Nottingham with 6 dependent children, and provided 168 units of service (each unit of service represents 15 minutes of time). We also provide education presentation's to students in both middle school and high school's in order to help youth learn to develop healthy teen relationships.

AIDS Response Seacoast - AIDS Response Seacoast is a non-profit community-based AIDS Service Organization dedicated to providing education, direct assistance and advocacy for persons and communities affected by HIV/AIDS. ARS has been providing services in the communities of Rockingham and Strafford counties in New Hampshire since 1987. Our mission is to improve the lives of those living with HIV/AIDS and their families and to help prevent the spread of the virus through education and prevention programs. ARS is the only agency providing these services in Rockingham and Strafford counties. All of the services provided to persons living with HIV/AIDS are free of charge.

American Red Cross – The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors. Through its strong network of volunteers, donors and partners, is always there in times of need. We aspire to turn compassion into action so that...all people affected by disaster across the country and around the world receive care, shelter and hope; ..our communities are ready and prepared for disasters; ...everyone in our country has access to safe, lifesaving blood and blood products; ...all members of our armed services and their families find support and comfort whenever needed; and ...in an emergency, there are always trained individuals nearby, ready to use their Red Cross skills to save lives.

Big Brothers/Big Sisters – For all children to achieve success in life by providing children facing adversity in one-to-one matches, changing their lives for the better forever. Making a match between a volunteer and child includes: enrolling the child, interviews of parents/guardian, volunteer background checks, volunteer training, making a match, and providing support through the first critical year of the friendship. Two low cost or no cost

activities are provided to all matches and continued support connecting them to community resources.

Nottingham has 3 residents serving as a Big Brother or Big Sister and 4 children in the enrollment process waiting to be matched.

Friends Program – Retired & Senior Volunteer Program (RSVP) – Meeting community needs through the experience and skill of senior volunteers, to provide health and wellness benefits to seniors age 55 and older through active, meaningful volunteerism. Reconnecting seniors in their communities through meaningful activities that result in renewed purpose, increased physical and mental activity, better health and prolonged independence.

Operating Youth Mentoring, Foster Grandparent, Emergency Housing and the RSVP programs to strengthen communities by building relationships that empower people, encourage community service and restore faith in the human spirit.

# July 1, 2012 to June 31, 2013 Services Provided (all service areas)

Nottingham volunteers contributed service for Nottingham residents delivering Meals on Wheels and to the RayFre Senior Center in Raymond. Many Nottingham residents utilize the RayFre Senior Center, and many RSVP volunteers run the center entirely. Dozens of additional volunteers who live outside Nottingham also provide assistance, including Meals on Wheels and Service Link counseling about Medicare and Medicaid programs, and other services to assist Nottingham residents.

Victims, Inc. – Our mission is to work with victims of violent crime, crash and trauma, with highly trained Trauma Intervention Volunteers who are on call 24 hours a day responding to pages from police, fire and emergency medical personnel. Called on to assist victims and surviving family members.

# Services Provided

Provided assistance to Nottingham families who were victims of serious injury and fatal crashes, untimely deaths, suicide and fires and debriefed emergency responders after they had worked a particularly difficult call.
