

Capital Improvement Plan Committee Meeting
10-19-21
Minutes
Approved 11/23/2021

1 6:35pm Present: Tony Dumas, Gary Anderson, Gene Reed, Chris Sterndale

2 Mr. Dumas opened the meeting and reviewed the purpose of the CIP.

3 The 2020 CIP was discussed and Sterndale provided updates on 2021 projects and purchases.

4 Town department heads have received submission sheets and will return them over the next
5 couple of weeks.

6 Potential new/future projects that might be anticipated include a beach gate, Old Town Hall
7 improvements, utility truck(s) for highway, a second ambulance, wash bays for highway trucks,
8 and structural changes at the recycling center.

9 Eligible uses of Covid-related federal funds were reviewed, including stormwater infrastructure,
10 which may impact CIP projects and revenue sources.

11 Sterndale will provide an updated vehicle lifespan chart. Dumas will follow up with school
12 board representative for school-related projects.

13 Next meeting likely in three weeks.
