

NOTTINGHAM RECREATION PRESENTS

Engineering with LEGO® and Play-Well TEKnologies August 1-5, 2016

Pre-Engineering: Mine, Craft, Build using LEGO®

AGES 5-6, 9am - 12 noon

Bring Minecraft to life using tens of thousands of LEGO®! Build engineer-designed projects such as a motorized Creeper, a portal to the Nether, and a moving Minecart! Create your favorite Minecraft objects with the guidance of an experienced Play-Well instructor. Whether you are new to Minecraft and LEGO or a seasoned veteran, you'll be hooked on the endless creative possibilities.

Engineering FUNDamentals: Mine, Craft, Build using LEGO®

AGES 7-11, 1pm - 4pm

Bring Minecraft to life using LEGO®! Build a motorized walking Creeper, a terrifying Ghast, and a motorized Minecart! This project-based camp, designed by Play-Well instructors, combines the basic format of our core engineering-themed programs based on the world of Minecraft. Students will explore real-world concepts in physics, engineering, and architecture while building their favorite Minecraft objects. Students will have a blast, even without any prior experience with Minecraft or LEGO.

Cost: \$135 for the week for either session. Optional: Add \$40 for transportation to, and participation in the Recreation Department's summer program on Monday, Tuesday, Thursday and Friday. (Sorry Wednesday unavailable due to field trip.)

Anticipated location: The Old Town Hall (across from the library).

Legos are for use in the program only and not to be taken home.

Minimum enrollment: 12 each session Maximum enrollment: 24 each session

DEADLINES: Nottingham Residents ONLY can register before May 27.
Registration is open to children from other towns on June 1.
Registration deadline July 1. After deadline if space is available, add \$10.

**SIGN UP EARLY - Send to PO Box 114,
Nottingham, NH 03290.**

For more information 679-3435.

Registration is also available ONLINE.
