

Trustee of the Trust Minutes
January 8, 2021

Attending: Denise Blaha, John Murphy, Gail Mills

Call to order: 10:03am

Minutes of October 9th meeting were approved.

Denise will send the Town Administrator, School, Highway and Fire Departments our meeting schedule for 2021. Requests for funds will be reviewed at these meetings.

No requests for reimbursement have been received at this time. A cemetery plot was purchased by Maureen Saunders for \$200.00. No document (deed) for this purchase was received. John and Denise will arrange to receive the money and deposit it, pending a review of the deed.

According to Betsey, we should receive a check in the near future. We will act on it at our next scheduled meeting.

Denise will write the one page statement regarding the work the Trust has done over the past year by January 25th.

There was a discussion about the pending resolution of the Douglas McLane Fund. It is hoped that we will be able to work with Northwood to solve the current issues regarding this fund. According to the Attorney General's Office, we cannot maintain this fund because of discriminating language within the document.

The next scheduled meeting will be in April

The meeting was adjourned before 11AM on the motion made by Gail and seconded by John.
