Note: This information is tabulated for areas within the Town of Nottingham only. Unfragmented lands are symbolized by their entire area including areas outside of the Town. This area includes bodies of water. The label placed on each unfragmented land indicates the area (in acres) for its portion within the Town only. Unfragmented Lands data are a product of NH Fish and Game's Wildlife Action Plan, 2010.

## Data Sources

Base features are from USGS 1:24,000 scale Digital Line Graphs, as archived in the GRANIT database. Digital data in NH GRANIT represent the efforts of the contributing agencies to record information from the cited source materials. ComplexSystems Research Center (CSRC), under contract to the Office of Planning, DEP, and in consultation with cooperating agencies, maintains a continuing program to identify and correct errors in these data. Neither DEP nor CSRC make any claim as to the validity or reliability or to any implied uses of these data.

Digital tax parcels taken from SRPDatabase. **Data should be used for planning purposes only.**Data was derived from various sources and were updated at different time frames, with varying levels of accuracy.
