

Facility Assessment & Advisory Committee Minutes
Monday November 11, 2022
Approved December 12, 2022

In attendance: Gary Anderson (Chair), Paul Dallaire, Charlotte Fyfe, Eric Danis, Barbara Draper,

Minutes: Meeting was called to order at 5:31PM at the Town Office Conference Area in the Town Hall by Gary Anderson.

Paul motioned to accept the previous minutes from 8/23, 9/12, 9/26 & 10/24.
Eric moved, Barbara 2nd, passed.

Much discussion centered around missing 8/30 minutes. Eric was to check his computer for the date that the 8/23 minutes were written, which was 9/05. There is no record on Eric's computer for 8/30 minutes.

Discussions ensued about Gary & Paul's presentation to the BOS. Disappointment was noted for the reaction of some of the board members on the glaring issue to fund the upkeep of the town properties.

Paul will write a brief report based on the report presented to the BOS for the Town Report and Newsletter.

Town properties that we have not reviewed were listed and reviewed, and Gary will schedule.

The Committee did a physical review of the back of the town hall. An interview of town personnel was suggested for their view on space requirements.

Eric motioned to adjourn at 6:37. Charlotte 2nd. Passed.
