

Facility Assessment & Advisory Committee Minutes

Monday, August 8, 2022 location – Nottingham Fire Station

Official minutes 9/12/2022

In attendance: Gary Anderson (chair), Paul Dallaire, Charlotte Fyfe, Barbara Draper. Absent Eric Danis

Also present : Chief Jaye Vilchuck & Lieutenant Vilchuck

The Chair called the meeting to order at 7:09, there was a brief discussion about the document that Mr. Dallaire created to store data collected by the committee about various facilities. It was agreed that this would be helpful for the committee.

Chief Vilchuck was introduced to members and provided a list of maintenance items needing to be addressed at the station. There was also a brief discussion about the future of the building and the possibility of adding on to the facility to house the police dept. Chief Vilchuck was in favor of this.

The Chief provided a tour of the station to the members.

Lieutenant Vilchuck addressed the committee explaining a concern about a recent cancelation of a pre-scheduled blood drive to be held at the community multi-purpose room at town hall, due to lack of air conditioning.

Mr. Anderson agreed to get at least two tentative date to schedule a meeting with our DPW director for the next meeting, these will be shared with members prior to posting of next meeting.

Minutes for July 25 2022 were voted on, unanimous 4-0 motioned by Ms. Draper , seconded by Ms. Fyfe.

The meeting adjourned at 9:05 moved by Mr. Dallaire and seconded by Ms. Fyfe.
