

Facility Assessment & Advisory Committee Minutes
Monday February 13, 2023
Approved March 13, 2023

In attendance: Gary Anderson (Chair), Paul Dallaire, Charlotte Fyfe, Eric Danis, Barbara Draper
Tina Cook (Nottingham Historical Society)

Minutes: Meeting was called to order at 4:50 PM at the Dame School by Gary Anderson.

Paul motioned to accept the 1-09-23 minutes pending a revision, see attached,
Charlette 2nd, Passed.

Tina presented a worksheet noting the state of the facilities that the Nottingham Historical Society oversees, the Dame School and the Grange Building. Much discussion ensued on the condition or each, their use, when they are open or closed, their condition.

The Dame School hosts most of the accumulated historical artifacts from the town.
The Grange Building is closed for the winter, no heat, no plumbing, mice infested, floor underpinning in question. No shoveling.

Discussions included upkeep. The Historical society receives a minor amount of funds for the fiscal year as a town budget line item. Upkeep, shoveling, repairs are coordinated by the society members. There is no formal communication with the Town Administrator, no communication with the Select Board, no direction given by the town as to what the Historical Society oversees or should oversee. There's no direction or method of maintenance, the Society has no direction on who is responsible, or who to request maintenance from.

A key to the Grange will be available for the next meeting to review that the building. Next meeting is scheduled for 3/13 @ 4:45 at the Grange Building.

Eric motioned to adjourn at 5:34
