

**Nottingham Conservation Commission  
Trails Committee (NTC) Minutes  
Thursday, September 6th, 2018 – 6:30 PM  
Nottingham Town Office, Conference Room #2**

Welcome and introductions

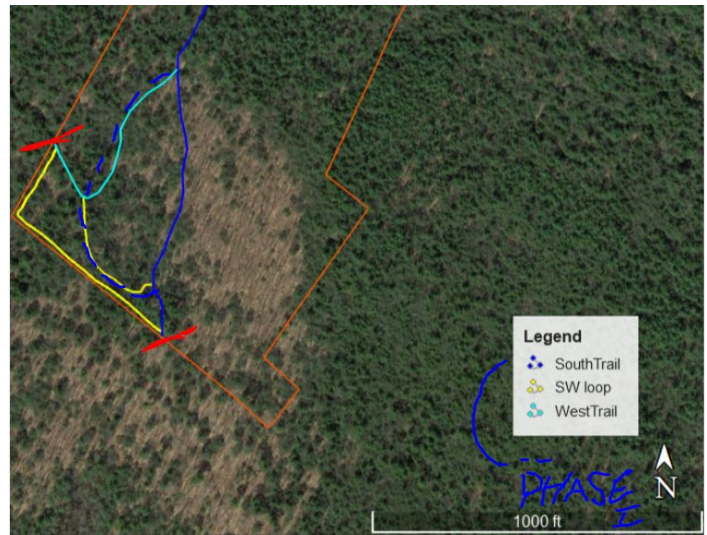

- Attendance: KC, JB, LK, CA, SM, LG

Discussion of public trail building work day(s) for the fall

- Possible platforms to use for outreach - Nature Groupie and Facebook
- Concerns: LK to discuss liability and insurance with Chris Sterndale. Are NCT members and volunteers covered?
- Volunteer waiver should be drafted - KC to do this

Kennard Property Report

- Trail construction and design. Phase I: Loop existing trails together (See dotted blue line)
- Erosion and runoff issues:
  - Waterbar options need to be cheap and effective - Options include hardwood and/or rock
  - Potential to replace crushed metal culvert - Ask Chris Sterndale (Phase 2?)
- Signage needed to mark private property
  - Boundary needs to be re-assessed. What is the cost-benefit analysis of contracting the Strafford regional planning committee? What work can be done internally to cut cost? Rent better GPS equipment (Trimble), JB to flag property line, KC to georeference.
- Materials needed: 300 ft tape, flagging tape, tree paint - LK

Marsh Woods Property upcoming tasks

- Trail cutting, trash pick up at east end of landfill, boundary flagging needed

Strafford Regional Planning Commission mapping project follow-up

- No funding at the moment

Project priorities and goals for the fall (workdays, maps, signs, etc.)

- Potential workday October 20th

Meeting adjourned: Moved by Mooney, seconded by Costa, all in favor; the meeting adjourned at 8:05pm

**Next meeting: Thursday, October 4th, 2018– 6:30 PM, Conf. Room #2.**

**Submitted by Krystal Costa**
