Tax Map 24, Lot 141-2

Members of the Planning Board:

This is written to formally request the subject project application be continued from the April 22, 2020 Planning Board hearing to the May 27, 2020 hearing. It is our hope that by that time in-person meetings will be able to be held again.

Thank you for your continued time and consideration.

Sincerely,

Christian O. Smith
