Hi Johanna, I'm writing to you about the water crossing event that takes place at 214 Raymond Rd in Nottingham. My business benefited from this event being held 3 different weekends last year by them renting portable toilets for their event. We are long time residents of Nottingham. My husband Cameron Reid has been here since 1980 and myself since 1987. This event was very much welcomed from us since Covid-19 had a huge impact on our business with all kinds of events being cancelled last summer. I hope this event can continue so our business can continue to benefit from it financially. Please be sure to share this with the Planning and ZBA boards. Thank you for your time. Emerall Reid (Emi's Porta Pottys)
