RE: Mitchell Road Subdivision 8-12-2020 Re-Cap and Request

Mr. Berry,

We have not heard back from the Town's attorney to provide opinion on the need for variance. It may come tomorrow but would not allow both parties enough time to review, and even if a variance isn't needed, more information on behalf of the applicant is needed to move forward.

We will continue the hearing for this project.

Dirk Grotenhuis

Chairman, Town of Nottingham Planning Board
