Subject: RE: Nottingham Scenic Road public hearing

Good Afternoon JoAnna-

As a follow-up to this morning's conversation, Eversouce requests a continuance for it's request of a public hearing for the trimming and removal of trees along scenic roads within the Town of Nottingham. As part of the Eversource Business Continuity Plan – COVID 19 , we have been instructed not attend public meetings for the foreseeable future. Please reschedule our hearing to May 13th.

Thank you,  
Bob
