RE: 41 Poor Farm Road, Paradis

Date: June 10, 2020

A request from the planning for a Subdivision review of driveway locations for map 58 lot 7-1 on Poor Farm Road was made to me. On May 29<sup>th</sup> I met with Jeffery Paradis on site and reviewed the plan with proposed driveway locations. After a walk of the site and discussion it was agreed to adjust the driveway locations for better line of site. The locations were put on a new plan and submitted on June 6<sup>th</sup>. I further reviewed the new plan submitted and did a site review of the new driveway locations marked out as they appear on the new plan. The new plan has met my request.
