Dear Governor Sununu:

Please be advised that at the annual Town Meeting on March 17, 2018, Nottingham adopted the following petitioned warrant article:

“To see if the Town of Nottingham will vote to have New Hampshire join ongoing efforts in Massachusetts and Maine to develop offshore wind power in the Gulf of Maine and to urge Governor Sununu to make a formal request to the Bureau of Ocean Energy Management to form an intergovernmental task force to plan for regional offshore wind farm development to increase sources of renewable power. Further, to ask the Board of Selectmen to send written notice to Governor Sununu of Nottingham’s support for this effort to expand our supply of alternative energy.”

Sincerely,

Donna Danis, Chair
