The third meeting with the Multi-Hazard Mitigation Planning Committee has been scheduled for Wednesday, January 11, 2016 at 2:00PM at the Nottingham Town Office at 139 Stage Road. At this meeting, the Planning Committee will review and complete the STAPLEE method to prioritizing mitigation actions, review the critical facilities inventory and associated maps, and identify which critical facilities are vulnerable to future hazards.

All citizens, businesses, municipal officials, and interested parties from Nottingham and other neighboring communities are welcome to attend the meeting. If you are unavailable to attend, please forward any ideas or concerns to: Kyle Pimental, Principal Regional Planner, Strafford Regional Planning Commission at 603-994-3500 or kpimental@strafford.org or to Chris Sterndale, Town Administrator at csterndale@nottingham-nh.gov.

This update of the 2012 Plan is funded by FEMA under contract to Strafford Regional Planning Commission and is a collaborative planning process with the Town.
