EXECUTIVE SUMMARY			
<p>Applicant is applying for a new site plan to approve event space in addition to the existing residential and commercial use of the property.</p> <p>Lot 69/10 abuts the town of Raymond. Nottingham planning staff have sent as email to the Raymond planning staff requesting comments on the application according to RSA 674:53.</p> <p>Board should consider and discuss if this project will have a regional impact, and if this application will require a variance due to its lack of frontage.</p> <p>3/22/2021 Update Application was determined a Development of Regional Impact at the February 10 meeting. Additional abutters were listed including Raymond, Epping, Strafford Regional Planning Commission, and the Rockingham Regional Planning Commission. On 3/10 the case was continued again due to notices returned by mail. This second continuation was to insure adequate abutter notice time.</p> <p>4/12/2021 Update At the 3/24/2021 meeting the board voted to send the project for legal review regarding existing and proposed uses of the lots for camping and event. Additionally, the Lamprey River Advisory Committee has received communication regarding the project area and has provided comment.</p> <p>4/14/2021 Update Board delegated variance guidance to staff and zoning department</p>

STATUS NOTES:

Variance from Article II, Section C: On June 15, 2021 the Zoning board approved the variance application to allow water cross events with incidental camping as a permitted use three weekends per year. Conditions include no practice or other events outside of preapproved and noticed dates agreed upon with the Town of Nottingham and no vents to be held on major holidays. The variance has been appealed and will be reheard on 9/21/2021. **The variance was approved by the Board of Adjustment on 9/21/2021.**

DOT Driveway Permit issued on 5/6/2021 with numerous conditions including, but not limited to, no structures, signs, etc. may be a place on, over or under the highway right of way; no parking or other activities may be conducted on the highway right of way; events will occur only 3 times per year (Friday 4-6pm, Sat and Sun 10am-6pm); any other access to the highway are to be prevented and the right of way may only be used for travel; drainage and sight distances shall be maintained; traffic interruptions are to be kept to a minimum and may require flaggers or uniformed officers when conditions warrant; the applicant is responsible for mitigation should future use of the driveway unfavorably impact the highway.

Alteration of Terrain: the applicant, per a letter from DES dated April 29, 2021, is working toward bringing unpermitted disturbances into compliance. An AoT permit application is due to NHDES by August 31, 2021 and an after-the-fact wetlands permit application is due by July 31, 2021.

COMPLETENESS/APPLICATION ACCEPTANCE

Application was accepted on February 10, 2021

STAFF TECHNICAL COMMENTS AND MEETING REVIEW HISTORY

The applicant submitted revised documents including updated plans and Emergency Action Plan to the Board dated October 3, 2021.

- 1. Remaining items for the Board to consider and inquire with the applicant:**
 - a. The area of new racer/overflow parking shown on the plan shows vehicles inside the 50' property setback. Travel trailers/RVs are considered accessory structures and must meet accessory setbacks for rear and side yard (20'). The proposed vehicles are snowmobile trailers which are not regulated as accessory.**
 - b. All other items discussed in prior staff reports appear to be addressed in the revised plans and documents dated October 3, 2021 and submitted on October 5, 2021.**
 - c. The revised plans and documents were circulated to Town staff for review and comment. The Fire Department responded indicating the plans and documents, including Emergency Action Plan, are acceptable. No other comments were received.**

ACCEPTANCE AND APPROVAL PROCEDURES

1. Reconvene hearing
2. Presentation of updates by applicant
3. Staff review report
4. Abutter testimony
5. Board discussion, comments, questions

6. Act on approval, conditions, denial or continue to a date certain (staff recommendation: continue to date and time certain to allow applicant time to respond to remaining staff comments and the Zoning Variance rehearing to conclude. The applicant will need to agree to an extension to do so.)
