

Town of Nottingham, NH - proposed Warrant Article

"To see if the town will vote to accept, in their current condition, as Class V. Town-maintained highways, the following roads identified as Emergency Lanes by the Board of Selectmen: Sherwood Ln.; Langley Ln.; Little John Ln.; Snow Ln.; Rogier Place, beginning at its intersection with Water St., bearing Northwest at the fork and ending at Tax Map 1, Lot 124; and Water St.; beginning at its intersection with Cooper Hill Rd. And ending at Tax Map 1, Lot 107. The combined length of these roads is approximately .7 miles (7/10ths of a mile) and have been maintained by the town for several decades. By citizens' petition.

Majority vote required."
